

Is this a record?

At over 14 feet high, Paul Goodaker's remarkable *triffidossia goodakerii* specimen cuts out the daylight in Front Street. Shortly after the picture was taken the sunflower lunged, enveloping the unfortunate Mr Goodaker into its lethal, pythonesque embrace. A neighbouring Sunflower expert (who wishes to maintain her anonymity while the matter is *sub judice*) fears that Paul had been illegally cultivating the carnivorous Amazonian Creeper variety!

St Andrew's Café Church took place on Sunday 13th September. Photos show some of the ladies hard at work solving the quiz: Nick & Emma Sweetman with son Harry enjoying their cooked breakfast and some children with Mary, guessing fruits by touch. More details of the 'fruity' session inside .

Whilst 'not on the map' for those who walked in Bedford in support of the Historic Churches, the Guadwara Sikh Temple was a spectacular diversion..

Sue Briggs, Jill Acton & Diane Casemore pounded 10 miles through Luton in aid of the Pasque Hospice at their Midnight Walk on 6th September.

They are pictured with Billy Byrne the DIY/SOS electrician, who started the race and gave out bottles of water along the way. Finally, he was there at the finish to present the girls with medals.

More inside.

The Relay for Life race took place at Stockwood Park on Saturday 19th September. We had at least 3 survivors from Slip End who had been encouraged to join in the first lap of the race course: Janet, Margaret and Pauline seen here. The race was started by Kelvin Hopkins (below) and the teams raced throughout the day and night, even sleeping in tents whilst fellow team members continued with the race. There were lots of activities on the day including workshops and music and even a little Elvis singing.

New residents in Black Pit field
Mary Barker spotted a pair of donkies happily grazing alongside Felix McDade's sheep and cattle.

Wed 21st	7.30pm	Coffee Evening in aid of NOAH
Sunday 25th	11.00am	Morning Service - Rev Phil Horner
	11.00am	Sunday School
November		
Sunday 1st	11.00am	Junior Mission for All Sunday, blessing of 'Link Romania' shoeboxes - Jo Prowse.

The Yard Sale in August raised £60 for the running of our Church and diminished our 'stock' a little.

The money donated to the Church in memory of Ivy Tarrant was put towards our new Children's Christian Book Lending Library: very fitting because of Ivy's love of books and reading.

Autumn Fayre

Do pop along to our Autumn Fayre on Saturday 10th, all the usual stalls and we will be serving lunches and teas. The Sunday School children will be running their own challenge stall, so come and join the 'Fun of the Fayre'

Study

Our Bible Studies & Fellowship meetings are open to all Christians & Seekers alike, do come along and sample these lively, friendly meetings. You can sit and observe, you will not be forced to take an active part if you don't want to, we promise.

This month's Coffee Evening will be in aid of NOAH and there will be a selection of Jewellery for sale and a display of Phoenix

Cards. I was reminded recently that Christmas is just 12 weeks away!

Welcome!

We are overjoyed that we have welcomed a new child into our Sunday School, there's still room for more! It has also been good to see new faces at our services, fellowships & bible studies.

In a troubled world it's refreshing to find
Someone who still has the time to be kind
Someone who still has the faith to believe
That the more you give the more you receive
Someone who's ready by thought, word or deed
To reach out a hand in the hour of need.

A warm welcome awaits you at Aley Green, come and see. May God bless you all.

Ann Meader

AFTER SCHOOL CLUB

at Woodside

Why not treat the kids and come after school for tea?

Visit the Farm after 3pm during term time weekdays and take advantage of our reduced priced tickets.

Admission only
£2.00 per person!

WEDDINGS & CHRISTENINGS

Looking for something special that won't break the bank?

We provide a wish tree and handmade tags designed to co-ordinate with your Wedding/Christening colours or theme. Guests write their best wishes for the bride and groom/new baby and then hang the tag onto the wish tree, creating a stunning display at your reception. Tags are then collected and presented in a pretty handmade album, the perfect keepsake to remember your special day!

After many years searching, Slip End Scout Group now has a Scout Troop for those cubs who would like to continue their scouting beyond the leaving age of 10½.

We are lucky to have the services of Scout Leader Steve Gaunt and Assistant Scout Leader Hannah Gladman: both are experienced leaders. Wayne Bracey will be joining them, moving on from Cubs. Many fun and challenging activities are promised over the coming months. The Troop meets at the Peter Edwards Hall on Friday evenings between 7pm and 9pm during term time.

Hannah & Steve

The Troop started on the 18th of September, with eleven boys and girls attending. For a month this will operate on a 'Come and See' basis with an investiture at the end of this period for those who wish to commit.

If you would like to know more about Scouting in general or more specifically our Scout Troop log on to www.scoutbase.org.uk

No previous scouting experience is necessary, so come and see us on Friday evenings.

WARNING:

Only those boys and girls with a sense of adventure need apply!

*Mike Hockey
Group Scout Leader
01582 414157*

It was our 54th Birthday last month so we all sat down to a supper of cold meats & salads, fruit salad, various gateaux, cheese & biscuits, fine wine & soft drinks. We invited visitors from our group and several ladies came along from the surrounding villages. After enjoying all that, there was birthday cake and coffee!

Relaxing, we were then entertained by Steve Ashby Howe, Magician. This was based largely on J.K. Rowling's Harry Potter books.

Sue, our chairman, gave us information on what was happening in the future, which included a group meeting in October plus various Christmas meetings.

We run craft afternoons on Mondays from 2.15pm to 4.00pm which, with tea and biscuits, comes at £1. You can have a really enjoyable couple of hours, if you are looking for something to do or somewhere to go.

On October 20th there will be a talk by a member of the British Legion. Then on November 17th 'Old Toys', a talk by Paul Bullimore

Come along, you'll be sure of a warm welcome. We meet on the third Tuesday of every month at 7.30 at Caddington Baptist Hall.

Sheila Coleman

Farmstead War Memorial

In November 2007 a project was begun to create a permanent record of the lives and sacrifice of fifty-one men connected with the village of Flamstead who gave their lives in the two World Wars. Thirty eight of these men (including six from the Second World War) are named on the Village War Memorial and our research so far has identified a further thirteen with strong links to the village.

Whilst we have been able to establish quite a bit of information on each of these men we would be delighted to hear from anyone who might have any links to any of those listed or have any other knowledge of any of them. We would, of course, be more than happy to share any details we have so far discovered.

So far we have been able to establish that at least six of the men had links to Slip End

Horace Day was born in Slip End

Arthur Flitton had a Brother who died in Slip End

William Ginger is named on the Slip End War Memorial

George Flitton, Walter Robinson & William Souster all lived at Slip End

The plan is to create a written record of both the home and the military lives of these men so that future generations can remember their sacrifice. This, we hope, will continue the importance of the War Memorial and what it represents.

If you wish to see a brief outline of what has been discovered so far, please go to the following webpage:

<http://www.flamsteadpc.btik.com/documents/1964068291.ikml>

The surnames we are researching are :

WW1

Andrews, Armstrong, Baldwin, Barrow, Batchelor, Cain, Clark, Cook, Coot, Coote, Curl, Day, Draper, Dyer, Featum (or Feetham), Fensom, Flitton, Ginger, Godfrey, Harris, Impey, Jackson, Kitchener, Lee, Peacock, Peddar, Riley, Robinson, Silvester, Smith, Souster, Stevens and White.

WW2: Bandy, Batchelor, Harvey, Horwood, Morton and Tuckey

If anyone has any knowledge or information on any of these families then we would be delighted to hear from them by e-mail at:

FlamsteadWarMemorial@gmail.com

or by calling the co-ordinator:
Simon Goodwin
(01582) 842162.

CHRISTMAS PRESENTS

Each Christmas the Parish Council distributes gifts to the older Parishioners. This year we are offering the choice of:

Christmas Lunch at one of the local pubs or a small gift.

If you or someone you know are over 65 and lived in the Parish for 5yrs, please complete this form and return it by 31st October to:

*Slip End Shop
the Frog & Rhubarb
the Plough
the Half Moon
or 46 Front Street*

Which would you prefer?

SHIRLEY KNAPTON CELEBRATIONS

Many Happy Returns Shirley!

Shirley's 75th birthday celebrations were held in the Village Hall in June. Many friends and relatives attended but one of the biggest surprises for Shirley was to see her grandson, Mark Liddle who had travelled all the way from Canada to see her.

Shirley enjoyed a trip around the car park in her very own super vehicle, a go-kart!

Vacancy

Maternity cover for the Clerk to the Parish Council

Applicants should ideally have:

- Previous experience of working in this tier of local government
- Accounts and finance experience
- Computer literate and proficient in Microsoft Word, Excel and Outlook
- Previous supervisory experience
- Previous office administration experience
- Preparing meeting agendas and composing minutes
- Confident telephone manner
- Good communication skills
- Ability to deliver to deadlines

Work from home 27 hours per week
Post includes some evening work

Sunday 1 st Nov	10.30am	Family Communion

Fund Raising

Much of our effort towards the costs of the repairs to the church roof has rightly been on the big fund raising targets: responses have beyond hopes! But there have been a number of smaller initiatives, some referred to elsewhere in this issue, others like cake sales, the e-Bay scheme, the Tile Guess competition, a grass cutting scheme, etc., which are helping to raise the total quite significantly.

Plans are in hand for more events over the coming months. These include:

Children's Ukelele Concert (Pete Smith)

Sale of Wrapping Paper (Julie Taylor)

Jewellery Party (Trish Fuell)

Sale of St Andrews Pens (Joy Daniel)

'Every little helps!'

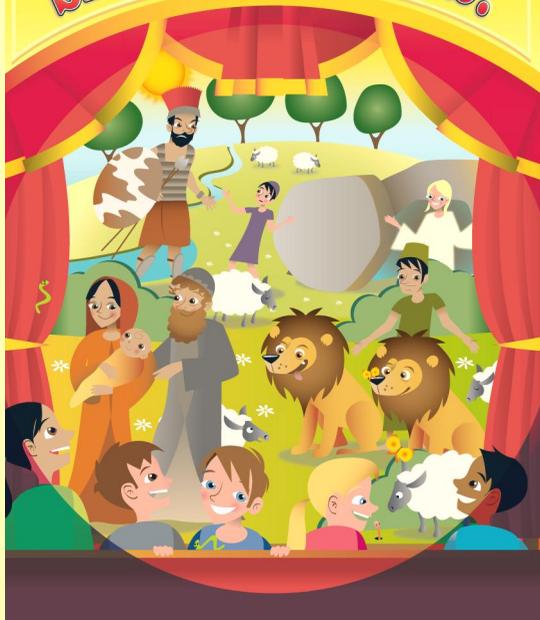

SAVE ON YOUR HOUSEHOLD BILLS & RAISE MONEY FOR ST ANDREW'S ROOF !

*Call 0800 1313000 or Ade Lokman locally on 01582 873079
and give our appeal number C91942.*

We're part of a new fundraising scheme. Simply switch your utilities to the Utilities Warehouse Discount Club and we'll receive a donation of up to 5% of your household bill - every month. And you'll save money for yourself at the same time! Also, save 5% on all your petrol and household shopping. Call and ask how.

**YOU SAVE MONEY, WE RAISE MONEY!**

SHOWSTOPPERS!

St Andrew's Half Term Holiday Club Thursday 29th & Friday 30th October 2009

This year's theme is the Creative Arts!

An exciting time with Drama, Singing, Games & Crafts along with all the usual fun and games that have been enjoyed at our previous Holiday Clubs.

Holiday Club is most suited to children school years 1 to 6, but others are welcome if numbers allow.

We wish to advise you that we would appreciate a minimum daily donation of £3 per child.

Book early to avoid disappointment!

Please return the Registration Form below, 1 for each child and return to Jill at 19 St Andrew's Close or Mary at Slip End Lower School.

*Call Mary on 738435 or
Jill on 452539 for information.*

CHURCH ROOF - UPDATE

At the time of writing we are awaiting tenders so it is a good opportunity to reflect on how fund raising has gone and to thank all those who have contributed whether it be £1,000's, £100's or £2 for a tile on Village Day.

I was a doubter who didn't think it was possible to raise £100K, but results speak for themselves. 95% of the original target is in hand, pledged or promised as grants. Massive thanks to everyone who contributed, we are touched by your generosity. *You're fantastic!*

Significant sums are coming in, as one would expect, from the Church Family which has dug into savings or foregone luxuries in order to give to the church they love. More than that, money has come from local businesses when they are under pressure financially. Also, sums have been received from local organisations, notably the Open Gardens Committee.

There have been modest offerings in response to letters sent to every household this summer, as well as sums from the Buy a Tile and Night on the Tiles competition. (The winner will be announced on completion of the works, which we pray will be before the end of 2009.)

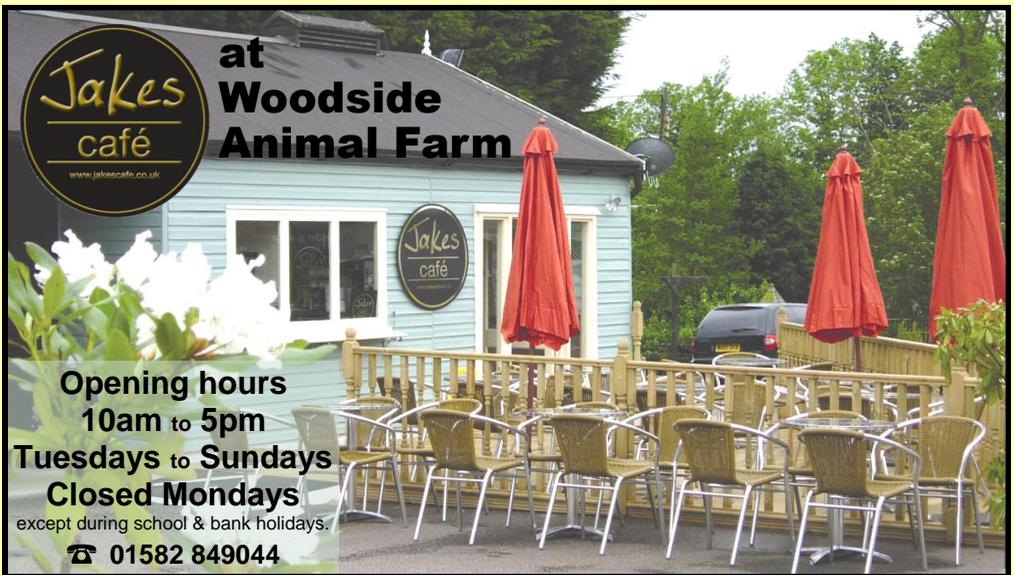

The many ways people have applied their talents is heart-warming. There have been

sales of cakes, garden produce and jams. One individual has been cutting neighbours' grass to raise funds. Ade Lokman and her partner have been helping on two fronts. Firstly with a scheme where the Church earns commission when people swap to Utilities Warehouse to provide energy and phone services. Secondly, Ade has been selling items on e-Bay. Each Sunday in September she was in church to explain the scheme and take in items. Thank you, Ade, we hope you've enjoyed the experience, it's lovely to see you and Isaiah. If you wish to help with the e-Bay scheme, call Ade on 01582 873079 or call at the Rising Sun.

We are thrilled by an approach from Andy Purford of Jakes Café at Woodside Animal Farm, who has a selection of second hand books on sale in the cafe. Proceeds go to a different charity each month and Andy has offered to make the Roof Appeal the nominated charity in October. The advertisement below shows how attractive the Café is, so we urge you to donate your books to Andy and visit the cafe to buy some books in October.

Keep your eyes peeled for more fund- raising events in the next few months as we push to get the last 5% we need.

Julie Taylor

What a treat for those who turned up for church on September 13th. The delicious breakfast was cooked by Lorraine, ably assisted by her helpers. You could even go back for seconds if you wished! Fruit was also given to all.

The tables had been set out previously and a quiz sheet and word search greeted everyone as they sat down. Fruits from the alphabet had everyone guessing, especially some of the difficult letters. Who has heard of a fruit beginning with V or X or Y and no I don't think you can count Yellow Watermelon!

The children enjoyed doing some art and crafts and making fruit pictures and then Mary had them guessing what kind of fruit they could feel inside a large bag. There were words to find that had been hidden around the church (and also on the word search) and some singing with actions. Lucy, here with mum, auntie and Henry really enjoyed her breakfast! Well done Mary and Julie and your helpers.

Working with local organisations & businesses to improve your community

What improvements do residents want to see within the community?

We have significant funds available!

Please come along to our next meeting!

You can commit as little or as much as you want.

Meetings, held monthly, are listed with venues on the Diary Page at the back of this issue.

Meetings are in two parts: Village day planning starts at 6.30pm, Community Projects Group meetings start at 7.30pm.

For further details, contact Michelle Stoll on michellestoll@hotmail.com

Work is expected to start in October!**

Summer Camp

In August Slip End Cubs and leaders went to Phasels Wood Campsite near Hemel for our annual Summer Camp. We decided to camp in the woods this time, rather than in the middle of a field, to give the cubs a different experience of camping.

The camp started on Friday afternoon, with everyone arriving at 5 o'clock. The cubs set up their own tents before touring the site to see what activities they would be taking part in over the weekend, returning just before the evening meal.

As the cubs were getting ready to sit down to eat, one of the trees on our part of the site decided to shed one of its rather large branches, sending cubs scattering in all directions. Luckily nobody was in the way when it hit the ground, but it certainly gave us all a scare.

After the evening meal the Cubs played a wide game or two, before heading off to bed in anticipation of the weekend to come.

Early (6:30!) on Saturday morning the cubs were up and about, full of the joys of spring, and after breakfast, started on the days activities, which for Saturday included archery, fire lighting, air rifles, grass sledging and tracking. We were joined for the day by the Beavers, who had their own specially devised programme to keep them entertained. Lunch was cooked backwoods

style (no, that's not a typo!) and was thoroughly enjoyed by all, especially the wasps, who we discovered had a nest nearby! After dinner, the Cubs and Beavers converged on the campfire circle to have a traditional campfire complete with songs and sketches, and in accordance with tradition, Akela had no voice left at the end of it!! The Beavers went home to their nice comfortable beds, while the cubs played another couple of widegames and then, after hot chocolate around the fire, hit the sack. Sunday was another action packed day, again with plenty of activities. Potholing proved to be good fun, although slightly muddy, and the climbing and abseiling both went down well too. Late in the afternoon the leaders decided it would be a good idea to cool everybody down with an impromptu water fight. It took 45 minutes to fill all the water bombs and about three minutes to throw them all (mainly at the leaders) The cubs also had a go on the Zip Wire and assault course. After a barbecue for tea, the cubs finished their day with a game of rounders on the main field and more hot chocolate around the fire. Monday was the final day, so to give leaders time to start taking down the tents, the cubs were taken away for a hike, which as always, went completely according to plan (note the hint of sarcasm in that statement!!). On their return, the cubs helped finish off breaking camp before heading home after an exciting weekend which was enjoyed by all. Thank you to everybody who came along to help out - Akela (Jon), Baloo and King Louie (Wayne and Karen) Jackala (Mike) and also

to those parents who came along to help (Trish and Caroline) and especially to Russ and Jeannette who have now very kindly offered to help us on a regular basis. It would not have been possible to put this weekend on without the help and effort from all involved.

Slip End Cubs is for Boys and Girls aged between 8 and 10 1/2. We meet at the Peter Edwards Pavillion on Mondays during term time between 7 and 8:30 and we currently have a few spaces should any young people be interested in joining us. Please contact Akela (Jon Barker) if your son or daughter is interested - Jonny_be_goode@hotmail.co.uk

Too old to join Cubs? Do not worry! After nearly a decade without one, we are pleased to announce that we are starting a Scout Troop for girls and boys aged between 10½ and 15, on Friday nights between 7 and 9 at the Peter Edwards Pavillion, so far we have around a dozen recruits, but have space for more. The troop will be run by Hannah and Steve, who are both experienced scout leaders, assisted by Wayne. If you know anyone interested, please email me and I will put you in touch with the relevant people.

Finally a big thank you to everybody who helped us with our fundraising evening in July. We raised over £300 for the group, which was split between the Cubs and Beavers to purchase new equipment and to go towards the cost of activities.

Thank you

In July we held a Raffle to raise funds for our Pack. We are very grateful to all those who generously supported us and those who donated prizes:

Our 'locals' at the Rising Sun, Frog & Rhubarb, Plough, Social Club and Ruchi Indian Restaurant: 'Tiny Riders', Slip End garage, Anil@the shop and all others who gave promises and prizes!

Jon Barker (Akela)

Slip End Village Hall on Friday 9th October at 7:30 pm

**IF YOU DO
NOTHING YOUR
VILLAGE WILL
DISAPPEAR**

The Frog & Rhubarb hosted the wedding reception of Alison Farrow and Richard Hart on Saturday 5th September.

Many of you will remember Alison from her time managing the Frog some 13 years ago. The wedding ceremony was held in her new home town of Crewkerne on Friday followed by 'serious' festivities on Saturday.

The guest list included, family, friends, current residents of the Parish and many who travelled back to their old stomping ground for the occasion. The centrepiece of the buffet was the unusual wedding cake which was a cake of cheese (not a cheesecake).

The tropics came to Slip End on Saturday 12th September at the Frog's Beach Party. There was a BBQ, cocktails, sand, paddling pools, vodka ice lollies and a limbo competition! A great time was enjoyed by all those who went along. Staff and customers alike were spotted around the village in Hawaiian shirts, shorts, leis and grass skirts.

Pop along to a charity race night being hosted by the Frog & Rhubarb on Saturday 10th October. Bets are £1 each with cash payouts for the winners.

FRIENDSHIP CLUB

As we boarded the coach for our trip last month to Moreton-in-Marsh and Bourton-on-the-Water, little did we know what the day would bring. The weather forecast was for warmth and sun. It was cloudy when we left but we were hopeful that it would improve.

Things were going fine, with the usual laughter and banter and of course the sweet tin was doing the rounds. Just before we got to Oxford Services, we heard a bang and scraping sounds followed by our driver Keith swerving and suddenly stopping the coach. What on earth had happened? We had been hit by a young eighteen-year-old who had driven his car across a white line. Keith jumped to establish that the other driver was unhurt, although his car was a write-off.

Police and an ambulance soon appeared: drivers were breathalysed, both were clear, and they went on their way. We however, had a burst back tyre so we were not going anywhere in a hurry. Keith came back on board the coach and said that there was a burger van on the opposite side of the road and they were happy to supply us with tea, coffee and some food. Our misfortune was certainly their lucky day because most of the people on board took advantage of this!

At first it was thought that a replacement coach would be needed but it was decided a new tyre would suffice. It was going to be quite a wait and the practicality of still being able to visit both villages was discussed. It was agreed that we would still visit both and get back home at a later time than planned.

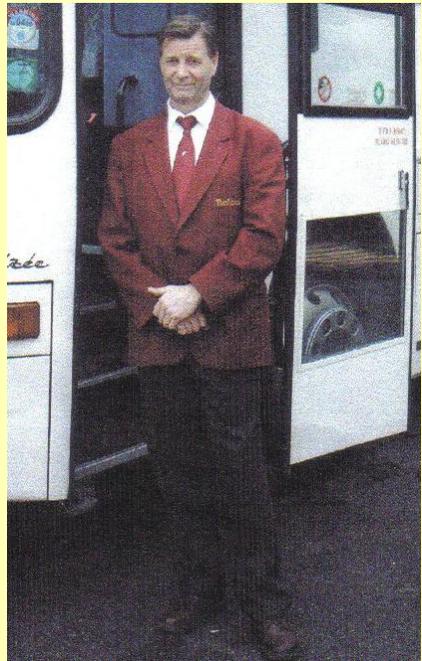

‘Fine’, you would have thought, but this was not so. Keith, our driver, was beginning to get over the shock of the accident and the resultant paperwork with names, addresses, insurers. He returned to the coach to hear a request to get an ambulance as one of the members was very unwell. It was soon obvious that it was more than just feeling the heat and an ambulance was called. The poor lady was then taken to hospital, leaving the

rest of us rather subdued. Finally, a mechanic arrived to change the tyre. In the meantime the driver of another coach parked in the lay-by, waiting to pick up school children later. He offered to take us on to Oxford Services which were only about 5 minutes away where we could rest, have something to eat and use the facilities. Eventually, Superhero Keith arrived with our coach and it was decided that we would still go to Bourton on the Water, which we did and we had about two and a half hours enjoying the sunshine and looking at the lovely shops etc. For most of us this included an ice cream.

After all the drama nothing else happened to us, nobody went missing and we returned to the coach for the journey back to home.

We wish to put on record our thanks to Keith who remained calm and in control throughout all the traumas, willing to go with whatever we wanted.

He was a real hero - Thank you Keith!

At Parish News we add our thanks to Keith for doing a great job, looking after our folks.

On one warm, sunny Saturday last month a group left Slip End to walk in support of the Historic Churches Trust, which is financing 25% of St A's roof repairs!

Their walk began after driving to Cardington, then on to visit a number of churches in Bedford during the day. Cardington Church was redesigned between 1897 and 1901, with money donated mostly by Samuel Whitbread III. The church and village are very well maintained, in the shadows of the old airship hangers. In the churchyard, as well as a

number of war graves, there is the mausoleum for those who perished when the R101 airship crashed in France.

Heading towards Bedford the group bumped into Paddy Higgins who was on Car Parking duties at the Water Slalom, with his flotilla of Sea Scouts. Paddy looked a bit red, having been in the sun for a while! The Water Slalom is located in Priory Country Park. It acts as both a river flood control and a slalom course, with its long concrete channel in which fibreglass boulders are fixed and can be moved to make different river patterns.

Priory Country Park is a beautiful location teeming with wild life - deer, otters, foxes and many different bird species. Camping and caravanning are available on site, and there is drinking water and an Elsan disposal point in the car park.

Entering Bedford then calling at several churches, the group arrived at the Bunyan Meeting before lunch. The church and the Bunyan Museum are well worth a visit. The stained glass windows are fabulous: the

famous image of Bunyan in gaol Terry Waite, held captive in the middle east for over 4 years, received a postcard depicting this window which was sent by Joy and Graham Brodier. The post card was simply addressed to Terry Waite, c/o Hezbollah, Party of God, Beirut, Lebanon: it got through and encouraged him during long captivity.

After lunch, more churches were visited in the afternoon heat, ending up in the market which was closing up, with bargains on offer, before the group boarded a bus, passes prominent, and headed back to Cardington and home.

An interesting walk, if a bit tiring in the heat! About £150 was raised in sponsorship.

A few facts about Bedford, which may go some way to explain how Bedford has prospered (in contrast to the 'fag-end' of the county, here in S. Beds)

The 1166 Bedford charter granted the townspeople certain rights. In the Middle Ages Bedford had a weekly market and an annual fair. Later Bedford was allowed an extra weekly market and 2 more annual fairs.

The main industry in Bedford was wool weaving and dying.

From 1295 Bedford sent 2 MPs to Parliament.

Sir William Harpur founded a school in Bedford.

In 1689 the Great Ouse was made navigable as far as Bedford, a huge boost to the town as it was cheaper and easier to move goods by river than by road. Bedford then grew rapidly. The railway reached Bedford (not Luton), Hitchin and London (King's Cross).

In 1773 John Howard, appalled by conditions in Bedford jail, became a prison reformer.

Luckily it was a fairly good evening weather-wise, apart from it being slightly windy. Approximately 800 ladies congregated at Barnfield College and duly checked in with their numbers, collected a free bottle of water, a banana and the obligatory 'bunny ears'. There was some warm-up aerobic dancing and a few words from people with first hand experience of the Pasque and Keech Cottage and a welcome from Billy Byrne who was amazing on the day really supporting everyone and encouraging all the ladies who had turned out on the day. At the stroke of midnight Billy started the walk and the lively crowd set off towards the town centre. Many chose to dress up, some in pyjamas, fairy wings and coloured leg warmers! The walk took us up to Wigmore, Stopsley and Round Green and what a change it was to see Luton at that time of the morning, with hardly any traffic or noise. The police were excellent and helped with road crossings and cheered us on our way. We finally arrived back at Barnfield at 3.15 a.m. to a very welcome hot bacon roll and cup of tea. Well done to everyone who walked the ten miles, a great experience and approximately £90,000 in sponsorship for the Pasque so a great effort by all concerned.

Sue Briggs

We made it and medals to prove it!

What a great day this turned out to be, and right on our doorstep!

The relay for life is organised by Cancer Research UK and there was plenty going on throughout the day and night. The relay was due to last for 24 hours with lots of activities and performances throughout the event including the 'Survivors Lap of Honour' which was started by the Mayor of Luton and Kelvin Hopkins, MP. Survivors of this dreadful disease wore their birthday badges with pride, many with over 10 years of good health after suffering from cancer of some sort.

There were dance and percussion workshops, arts and crafts, children's activities, live music from Elvis and 'little Elvis', yoga and skills challenges. All this before the Candle lit remembrance ceremony on the Saturday evening, with hundreds of candles being lit to remember loved ones and people facing challenges of their own.

Many chose to stay the night in tents whilst the relay continued throughout the night and were woken up to 3 Counties Radio and Gareth Lloyd, followed by Irish Dancing and a Gym Display. Luton's leading acappella band Peculi8 rounded up the entertainment with some wonderful singing before the closing ceremony and prize giving. Congratulations to all those who took part.

Together we will beat cancer.

CHARITY BIKE RIDE TO PANAMA, COSTA RICA AND NICARAGUA

Shirley Phillips and Tony Ferrier who live at 68 Front Street are busy planning and training for an epic 680 kilometre charity mountain bike ride through Panama and Costa Rica to Nicaragua in aid of Macmillan Cancer Support. The cycle ride takes place over 8 consecutive days, but this is no ordinary ride as there will be - *no hotels, no restaurants, no showers and no loos!* This is something that they both feel very passionate about, so if you would like to donate something towards their charity without it costing you anything, perhaps you might consider giving an item that could be sold on Ebay, Perhaps some old jewellery, ornaments or any collectables for example. Any money raised would go towards Macmillan Support.

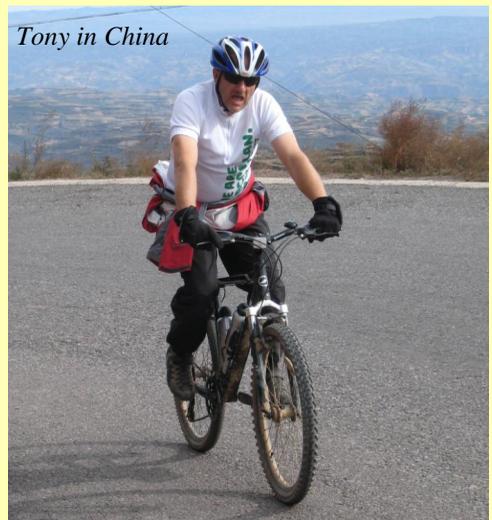

Shirley has lived in Slip End for approximately eight years and Tony joined her four years ago. Their plan is to get married just before the bike ride in February 2010 and travel together as part of their

honeymoon, from Panama City through the rain forest, rugged coastline and smoking volcanoes to Lake Nicaragua and then to celebrate their wedding and the completion of their journey to Central America at the Village Hall on their return.

If you would like any more information or could donate an item please call Tony on 07714231640 or 01582 726592. You can also donate by going to www.justgiving.com/shirley-f/ for Shirley or <http://www.justgiving.com/Tony-F> for Tony.

In October 2008, Tony completed a 680 kilometre ride in China, and managed to raise £3,700 which went to Macmillan Support. Apart from some steep climbs, and temperatures of minus 10° he found that ride very challenging and is looking forward to his next demanding adventure. If there is anybody who would like to join them just

call Tony for a chat. They are also on the lookout for a DJ to play at their 'hopefully' successful celebration party on their return so if anyone can assist with that please let Tony know. He has promised to write about the trip for Parish News so we look forward to hearing all about it next year.

Please help to support the 2 million people and their families suffering through cancer.

Thank you.

**Richard Stay resigns from
Joint Planning & Transport Committee**

Councillor Richard Stay, the Deputy Leader of Central Bedfordshire has today stood down from the Joint Planning & Transport Committee (JPTC) which is the body with responsibility for deciding transport and planning matters relating to the growth area for the South of Bedfordshire & Luton.

The JPTC has been looking at the implications of the Regional Spatial Strategy and the Milton Keynes South Midlands Growth area for over 5 years and is drawing up a core strategy for delivery of growth to 2031. Councillor Richard Stay, who has represented South East Bedfordshire for 13 years, an area which includes the Parishes of Caddington and Slip End, is a voting member of the JPTC.

The JPTC is a quasi-judicial body on planning matters and there are restrictions on what its members can do or say around matters that form part of the planning process.

Richard Stay said “It has become increasingly clear to me that with the heat being turned up on decisions around the growth area, I could not continue to properly represent my constituent’s views on a huge new proposal for building over most of the Green Belt in my Ward and at the same time remain a member of the JPTC, the body

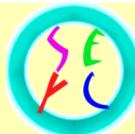

which is being asked to make decisions on where the growth will go.”

“The decision to resign, whilst being somewhat iniquitous, was straightforward. I have put duty to my constituents first and I have today stood down as a Member of the JPTC. In doing so I have sought to avoid any perception of a conflict of interest and to avoid there being any accusation of bias in the future. I have had to choose between representation and having a say on the decisions”

“The ambitious and opportunistic proposals for concreting over 800 acres of Green Belt, around Caddington & Slip End, called Bushwood Green, has made it difficult to properly represent my electorate and appear to be open minded when in a planning committee”

SLIP END YOUTH CLUB

Parents are Needed!

We know how much you appreciate the peace and quiet for a few hours a week when your little darlings are at the Youth Club, but to help maintain peace and quiet at home we need some more volunteers at the YC!

**If you can offer your services for just a few hours a *month*
Shirley on 07866 215453
or garn_s@tiscali.co.ukwould love to hear from you!**

PARISH COUNCIL NOTES

For some time, Councillors have been aware of residents concerns about the proposed large scale development known as Luton West and some more detail of the proposals have become available. Responding to those concerns both Caddington and Slip End Parish Councils have arranged Public Meetings where residents can be informed of the proposals. The Caddington meeting was held on 30th September and the Slip End meeting in our locality is arranged for 9th October at 7.30 in the Village Hall.

Invitations to the meetings have been extended to the developers, Margaret Moran M.P., candidates from the other two main political parties at the next general election Nigel Huddleston, Qurban Hussein and an independent candidate, Esther Rantzen. So far only Nigel Huddleston has responded and he will be attending the Slip End meeting.

After the presentation, there will be a question and answer session and the meeting will then move into an open session for residents to use the time as they wish. I understand next summer sees the beginning of the decision making process and so residents have until then to make their views known to the appropriate authorities. The Council is, therefore, arranging a forum for residents to discuss between themselves issues such as whether they want to put forward their views privately, on a community wide basis or both and set up the means to do this if they so wish.

I would encourage residents to come along to the meeting as a development on the scale proposed will have an impact on the Parish if it succeeds in winning approval for the changes it will bring about will be huge and dramatic.

You may remember in the July issue I brought you up to date on the work that was being done to reduce the number of vehicles speeding on our roads and reduce the problems of traffic noise in Church Road.

Since then Airparks have introduced two new quieter coaches and you will recall they had also asked their drivers to reduce speed when travelling past the cottages in Church Road to 20 mph. The Council had been asked to provide feedback to Airparks Head Office of the success of these initiatives.

The reports I have heard so far indicate there have been improvements and the new coaches have made a very positive difference. On the other hand while some of the drivers are keeping to the 20mph voluntary speed limit, this has not yet become widespread. A letter to this effect will be sent to Airparks early this month, please let me know if you would like any other comments to be included.

Steve Fuell has also heard from the Police, our request to hire an Officer to carry out speed checks has been approved. Apparently, this has not been tried in the County before and we are to be used as a pilot. Steve Fuell and I have a meeting soon during which we will hear how much this will cost and sort out the details of how the scheme will work. I will let you know next month how we get on.

With speeding being such a problem locally, the Police were asked to make this their priority during the last three months of this year, concentrating on Church Road and Front Street. The speeding priority will continue into next year when the concentration will be in Woodside and Markyate Road.

I have also heard from Highways responding to the request for a survey to be undertaken, with a view to placing a weight restriction on through traffic in Markyate and Church Roads. It appears a County wide survey is to be undertaken, however, no further details were given and this is being followed up to see if we can find out more.

I look forward to seeing you at the Village Hall on 9th October at 7.30pm

Ken Crossett

YOUTH CLUB

Here's a few lines written by the youngsters who went off to Hindleap in August ...

On the trip to Hindleap we had lots of fun. We did rock climbing and most of the walls were really hard, my skin on my hands came off. On the team challenges we did really badly coz we ended up shouting at each other, but still managed to do them all first time. The scariest thing was the leap of faith. We had to climb up a big wobbling pole and then jump off and grab the trapeze. The food was bad and we starved for a weekend. The best thing was having fun with Jane, the lady who did the activities.

Sophie

PS: Shirley and Phillipa were awesome!)

The Youth Club had a great time climbing heights and doing team work activities. It was a great time and we all enjoyed it. Jane who was our activity leader was much fun. I think it would have been better if the food was nicer. The most funniest time was when we was all together having fun at night when it was dark. One member of our youth club played music. It was loud so everyone could hear it. It was funny for all the youth club smiles all weekend. If we had the money again I would really like to go there again. Shirly and Phillipher was great.

Vicky.

On the trip we done various activities such as rock climbing, Jacobs ladder and the zip wire. It was a great experience . One of the leaders was called Jane. She helped us with all of our activities! The trip would of been better if the food was nicer! The trip was really enjoyable and I would like to go again!

Sharron

Shirley and Phillipa were great fun. I'm glad they went!

Anon

WELCOME BACK!

Seems everyone is back now after the holiday break and things are getting into stride. Schools have restarted, students are back at colleges, organisations and groups have restarted, it's business in full swing as usual. Plans for Christmas, which is just round the corner, are in hand with thoughts of next year's activities coming into mind.

But there's more! Big issues are being grappled with right now. St Andrew's plans are well advanced towards starting work on the new roof, following a remarkable fund raising response which has raised almost £100K in what seems like no time at all.

But there's more!

What's all this about 'Luton West'?

How would it affect us?

What about that 'Core Strategy'?

Good questions, some answers are at hand. Our Parish Council has joined with our neighbours in Caddington in order to present information as far as it is known, to us residents. Public Meetings are to be held in both Parishes (see advertisement), ours will be in the Village Hall on 9th October. Ken Crossett told Parish News that interested parties have been invited to express their ideas on these large scale proposals: This meeting will provide an opportunity for Esther Ranson, Margaret Moran (to name but 2) to put their views across, although positive responses to most of those invitations have yet to come in.

So what does PN feel about Luton West?

First of all it has to be said that what has crept onto the table so far appear to be ideas (not yet plans) for potentially huge housing and industrial developments along the corridor adjacent to the western edge of the M1, from Chaul End to Slip End, maybe Pepperstock. Much is not clear at this stage, but while questions and concerns begin to be raised, facts are in short supply.

So let us indulge in reviewing an example what has happened under the noses of our local planners in the recent past.

You may be familiar with the Woodside Estate in Dunstable, an huge area dedicated to warehousing and distribution. 'Logistics' is a trendy word these days, much sexier than old fashioned 'Road Haulage'. Logistics relate to a constant stream of 40 tonne trucks, dribbling along the old Luton & Dunstable Road (the new one isn't finished yet, it ends ignominiously in a hole in the chalk, by a railway (remember those?) bridge, conveniently tucked behind Tesco's car park). These vehicles gyrate around MacDonald's and Sainsbury's car parks and roundabouts, through interminable traffic lights, more roundabouts, eventually grinding into Woodside. That's just half the story, 'what goes around, comes around' on all those return journeys.

Therefore: Logistics = Chaos (QED)

Well done planners,

you got it almost right at Woodside!

Now what do you have in store for us?

So what could happen here? We see little in terms of new access into Luton West as far as the M1 and A505 are concerned. At PN we envisage a nightmare scenario with 40 tonners approaching the traffic lights in Slip End from all directions, mixing it with cars and 4x4's, as our new residents engage in their commutings.

A common view expressed to PN reporters these days is "If Luton West happens, the effect on us will be far worse than the Kholerdome or anything else we have had to face. What can we do to stop this from happening?"

The positive Luton West spin might suggest that the speeding problems through the village will be a thing of the past. Traffic will be generally static.

See you on the 9th!

SAMARITANS PURSE

A special meeting was called in September to discuss the possibilities of running the Dunstable Warehouse without Tony and Teresa Willson. After seven years, they have decided to retire from their voluntary work with Samaritans Purse. They shall be sorely missed! Despite a search for somebody to take over the running of the warehouse, no-one has yet come forward.

A number of volunteers came to the meeting at St Andrew's with the new regional manager, Gordon McCann. It was felt that there was not enough time to make plans for the running of the warehouse this year. However, the drivers will still be working in the area, collecting boxes and delivering them warehouses at Cambridge and Borehamwood.

St Andrew's Church will still be collecting and making up shoeboxes as in previous years and if anyone would like an information leaflet to do one or more themselves, please contact me at St Andrew's or through Parish News. Perhaps we could make it a bumper year from the Parish and exceed our normal contribution of around 100 boxes.

Perhaps next year, all being well, the Dunstable warehouse will be back in full operation with plenty of volunteers and helping to make dreams come true for lots of disadvantaged children.

Sue Briggs

LAUGHTER

A Irish doctor prescribed ice for a patient who was very ill. Having qualms that the treatment might be too severe, he turned to the nurse and said, "Perhaps you'd better take the chill off the ice before you apply it"

WANTED:

1. A list of things that everybody thinks and nobody says.
2. A list of things that everybody says and nobody thinks?

as said by Oliver Holmes

PARISH PLAN

The Parish Plan committee met at the beginning of September at the Social Club. It was their first chance to look at the data that had been collated from the 'Planning for Real Event' on Village Day. It was good to hear that many visitors had stopped to look at the large scale maps and offer their suggestions and ideas. The aim of the findings was to draw up a plan incorporating some of the most popular ideas to put into our next questionnaire to then gain more detailed information.

Some of the suggestions received so far include the improvements of pavements, more litter bins, a car sharing scheme and the idea of a skateboarding park has been resurrected, to name but a few.

There is still plenty of opportunity for people living in the Parish to think about the scheme and how we can endeavour to achieve the best results so hopefully, when the next consultation event is organised, villagers from Pepperstock, Woodside, Aley Green and Slip End will attend and indicate their favoured proposals. A date for the meeting at the Village Hall will soon be set, so watch Parish News for more details.

It is also hoped that the Children's Rave Bus will be hired for the youngsters of the village to use and give their ideas to the Parish Plan.

Ade Lokman has sadly decided to resign as Chair of the Committee. With a new baby to look after and her work load increasing, it was becoming just too difficult to give the amount of time and computer work she had previously given to the Parish Plan. The rest of the committee thanked Ade for all her hard work and wished her well for the future. Rosemary Wickens was nominated as the new Chair with Sue Briggs as Vice-Chair.

The next meeting will be held on 28th October in the Frog & Rhubarb at 7pm.

Sue Briggs

DIARY

If you would like your events included, please contact the Editor

October

- 2nd Harvest Festival at Slip End Lower School
2nd Harvest Supper in the Village Hall
4th Harvest Festival at St Andrew's
5th Parish Council meeting at the Village Hall 7.30pm
9th **PUBLIC MEETING IN THE VILLAGE HALL AT 7.30pm** - "Luton West"
10th Charity Race Night at the Frog & Rhubarb
13th Community Projects Group - 7.30, Venue at Ruchi, Woodside
19th New Gardening Club - Here all about it at the Village Hall 8pm
20th Women's Institute: 'The British Legion'
29th-30th **St Andrew's Holiday Club**
31st Deadline for Christmas Presents responses

November

- 2nd Parish Council meeting at the Village Hall 7.30pm
8th **Remembrance Day**
10th Community Projects Group - 7.30 at the F&R
17th Women's Institute: 'Old Toys'
18th Craft Evening at St Andrew's - 7-9pm in the Family Room
28th Peter Scrivener Ensembles + St Andrew's: 'Blues, Ballads & a touch of Soul'

December

- 7th Parish Council meeting at the Village Hall 7.30pm
8th Community Projects Group - 7.30, at the Social Club

January 2010

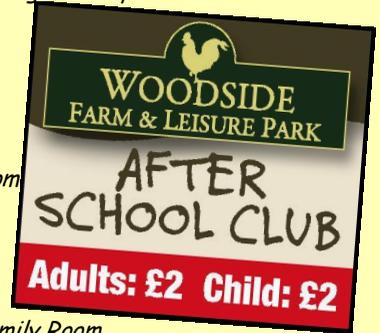

- 4th Parish Council meeting at the Village Hall 7.30pm
12th Community Projects Group - 7.30, at the Rising Sun

Items for inclusion in next month's issue should be in by 15th of this month

If you would like a copy of Parish News delivered monthly, contact Alan Buttery at 1 Claydown Way (01582 724527), alanjan@buttery400.fsnet.co.uk. Anything interesting to report about village activities, photos, holidays, etc? Please contact us, letters and e-mails are encouraged. Views expressed by our contributors are not the Editor's own. Articles should be sent by the 15th of the preceding month to Sue Briggs, 4 The Oaks, Slip End or e-Mail parishnews@slipend.co.uk.
