GREETINGS FROM CATHY PULLINGER

Hi everyone, last month we wrote about our Mission Statement that includes the sentence: We seek to **live out our Christian faith** in the communities in which we live and work.

We do this in various ways and this autumn we have a bit of a family theme. Families are really important to God. He himself exists in something of a family with the Father, the Son and The Holy Spirit enjoying a loving relationship. He entrusted his son, Jesus, to the care of an ordinary family. Then, when we come into a relationship of faith with God we become his children, so that the church becomes God's family. There is a lovely verse in the Psalms that says: He sets the lonely in families. I know that many have found that to come true when they join the family of the church.

Natural human families are really important to God too. In the Bible they come in all sorts of shapes and sizes, and some of God's chosen leaders came from what would seem to us perhaps to be rather surprising family situations. Moses was brought up in a foster home, with his own mother being paid as a nanny. Jacob's twelve sons had four different mothers, only two of whom were actually Jacob's wives. We see how God provides for a single Mum and her son during a famine, by sending the prophet Elijah to her, and then Jesus himself was brought up by a step-dad. Yet God chose these families to nurture some of his most significant servants.

Whatever the shape and size of your family situation God cares about it and can work in it and through it. The important thing is that our families are filled with love and respect. Indeed there is another lovely little verse in the Bible that is often read at weddings that says: God is love, those who live in love, live in God and God lives in them. In living out our faith we too seek to support family life:

On Thursday and Friday mornings of October half term we are running a children's Holiday Club: Mission Rescue.

We are taking bookings, so see the poster in the Parish News for more details.

On the five Tuesday's in November we are running a Parenting Course: This will be in the Family Room from 8pm – 9.30pm, and we will begin with hot drinks and puddings and a chance to get to know one another. Then there will be a DVD with some talks, interspersed with interviews from parents who have done the course and from parents and children from around the world. There will be a chance to discuss, though no one has to share anything personal with others. There is a guest manual with suggestions that you can take home and talk about. The topics covered are: Building Strong foundations; Meeting our children's needs; Setting boundaries; Teaching healthy relationships; Our values & long term aims. There is no charge for this course. It will have a Christian ethos but is designed for anyone who is interested.

Finally during our harvest celebrations we will also be supporting some desperately poor families in Cambodia: Each year the Bishop of St. Albans has a Harvest Appeal. We are generally so fortunate in this country and as we thank God for his provision for us we like to share some of this with others. This year we will be giving to the Cambodian Hope Organisation (CHO), which seeks to enable families to earn a living so that they can send their children to school. Two years ago, mother of four, Nari, could not afford to feed her children, let alone send them to school. CHO came to her village and equipped her with the knowledge and skills to grow crops to feed her family and earn a living. Nari and her family's life has now been transformed. We are seeking to help other families like her. God Bless you and each member of your family.

Cathy

Café Church 11th September. Where are you on your faith journey? This was the question we considered at our recent café church. To help us think we had cartoon pictures of passengers on a train station, some of the passengers were settled and others were joining the train. While the adults gave thought to this and listened to recounts of personal faith journeys, the children were busy constructing trains with biscuits for wheels! Cathy also played a Journey's game with the children. We also had a short time to remember the terrible events of the 9/11 attacks on America. We concluded the session with a buffet lunch!

This month is the best month for laying turf for a new lawn; the turf will settle and root before the winter. Dig the site where you are going to turf, allow to settle then rake the surface into a coarse tilth, lay the turf and mow in the spring.

Most hardy perennials should be planted this month unless the soil is very wet in which case wait for a dry spell, or the soil will compact where trodden on. Cut Dahlias down to about six inches above ground level as soon as the frost blackens the leaves, then dig them up using a fork and try not to damage the tubers, dry in a frost free shed for about a week and plant in shallow trays with just enough peat or ash to cover the tubers and keep slightly damp, shoots will appear next spring.

Chrysanthemums can either be left in the ground to over-winter but do not cut the tops down until spring, or lift the stools, cut the tops down and plant them at the same depth they were growing at in a cold frame or greenhouse and take cuttings in the spring, but do remember to label them before lifting. Gladioli do not fare well if left in the ground to over-winter so lift them about the second week of the month and dry them off thoroughly then cut the stem just above the corm, the roots can be removed as soon as they are dry. Store them in a frost free environment and replant in the spring.

Sweet peas can be sown direct into the ground now or in pots from the middle of the month in a cold greenhouse, plant tulips and Hyacinths this month and into November. Tulips planted earlier may be damaged by frost and may suffer tulip fire disease.

Towards the end of the month plant all types of hardy deciduous trees and shrubs but not in frosty weather or strong winds. Cut out the canes that carried this year's fruit from Blackberries and Loganberries and tie in the new shoots to a wire or frame. Complete the

planting of strawberries this month for fruiting next year and clear all rubbish from established beds. Jam making should be in full swing now especially with the abundant crops of fruits produced this year because of the warm spring.

If you are thinking of taking up an allotment, and there are some available, now is the time to start getting it into order for next spring. If you would like further information about an allotment you can either e-mail me or ring the number for allotments inside the front cover of this magazine and start to grow your own next year.

Don't forget to e-mail me if you have a question at: russell.sprout1@hotmail.co.uk

Autumn by Mary Hamrick

Autumn is like an old book:
Marred spines turn mean yellow,
staples rust red-orange.

Every stained page is stressed
by a splat of colour. Rough-red,
like an old tavern,

we become hungry birds
and prepare for fall.

Shape and shadow are candied citron

as lanterns turn bitter yellow. Autumn
is a red fox, a goblet filled with dark wine,
a hot chilli pepper with smoky eyes.

Pressed leaves take in the colours
of seafood paella and saffron; these leaves
are like death, climaxing with a smile.

Autumn: Her dress is a net of mussels;
dark shelled, it covers up
summer's weather-beaten body.

So pull out your boots
and stand on an aged, wood floor
like an evergreen.

GRADUATES

Stuart Baird from Woodside gained a 2.2 in Criminology at Coventry University. His graduation ceremony will take place in November.

(Will hopefully have a graduation photo later)

SLIP END TODDLER GROUP

The Toddler Group has a new leader – Kaz is one of the Playgroup staff and well qualified to lead the group. She has some plans and new ideas to bring to the sessions and would love to see you there.

The group is for all children from birth to school age with their parents, carers or grand-parents. It is a 'drop-in' group with activities for the children and a welcome snack for all ages. Toddler Group is open on Tuesday afternoons during school term times in the Village Hall. Entrance is through the door from the car park at the back of the hall. The cost is £2 for your first child and £1 for every subsequent child and for babies under one year old.

If you would like more information or someone to meet and introduce you on the first visit, call Kaz on 01582 724215 or Jill on 01582 728865.

PLAYGROUP

The return to Playgroup after the summer break has brought us 5 new children who are settling in nicely.

Since the start of the term we have harvested our onions and green beans from our garden – the onions are still drying but we have sampled the beans! We have some pumpkins growing well and hope they will be ready for the end of the month.

We are making plans for the term with an autumn theme and hope to be collecting some of the beautifully coloured leaves and of course the conkers and acorns as they are ready. We hope to also include a trip to Stockwood Park.

We will have our AGM this term and hope to swell the numbers on our committee for both the groups to help us run the groups and fund-raise.

OPERATION CHRISTMAS CHILD

The 2012 London Olympics are only just around the corner, so we've decided to get into the Olympic spirit as part of this year's Operation Christmas Child campaign.

How? Through sports-themed shoeboxes...

As well as giving you the chance to do something a bit different with your shoeboxes, this is also your chance to send a few sporty items out to needy children in our world – children who might otherwise not have the chance to experience the joy of sport for themselves.

Make your shoebox sports-themed
There are several ways you can give your shoebox an Olympic twist this year...

GIFTS: Along with gifts you would usually send, you might want to include a tennis ball, skipping rope, baseball hat, small football, inflatable beach ball, stop watch, sweat bands, toy medals or other sports-related gift that would bring a smile to a child!

BOX: You could even decorate your shoebox with Olympic stickers and drawings.

MESSAGE: You might want to add a special message to your child, stating that the shoebox has come from the home of the next Olympics and that you hope they enjoy the sports items you've included in your box.

We are holding a special Operation Christmas Child Café Church at St Andrew's in November where the congregation will be making up their own boxes—so why not come along and join in the fun. The date will be November 6th and all are welcome.

For the past 18 years Operation Christmas Child has been sending shoeboxes to

Belarus. Last year we sent 33 loads of shoeboxes to the country for distributing to orphanages, hospitals and poor homes. Here is a letter from the Baptist church in Tekhteen, Mogilev region, Belarus who helped distribute the shoeboxes. It shows the high regard that they have for the boxes and the difficulties they have in the country.

Dear Friends in Samaritan's Purse and OCC partners!

From the bottom of our hearts we thank you for your care for Belarusian children. We appreciate all your hard work in collecting gift boxes, your offerings with finances, time and efforts. You deliver Love in a Box! And you in the UK give us a chance to pass God's love on to needy ones in Belarus.

We are a small Baptist church in the rural area of East Belarus, close to the Chernobyl zone. There are many forgotten and affected villages around us. There is a high level of unemployment, drinking parents, neglected kids – all this is our daily reality. Many parents don't pay much attention to their kids, and they cannot afford to buy gifts for them. And OCC shoeboxes are like a bright light in darkness!

With your gift boxes we can and do organise many special OCC events in our church and schools. Many children come to our Christmas performances and later to our Sunday school even from far away. OCC helps us to open hearts and open doors!

If you need a leaflet for your own shoebox please contact Parish News or St Andrew's.

Thanks to funding assistance from the Community Projects Group, the Slip End Tennis Club has been able to install floodlights on its courts at the Playing Field. Four members of the club braved a slightly wet evening on Monday 5th September to have a game and test them out. The light allowed them to have a brief game, stopped by the rain rather than by the lack of light. There was enough light to take photos of players in action too.

The new lights will extend the season which will enable teams to play home matches during more of the summer months, continuing play after the light begins to fade. The lights will also allow Coach, Sally Parry, to run her Friday evening junior coaching sessions into the winter months.

Anyone who would like to know more about the club should contact Peter Smith on 733253.

Tim Vine: "Crime in multi-storey car parks. That is wrong on so many different levels."

Hannibal Buress: "People say 'I'm taking it one day at a time'. You know what? So is everybody. That's how time works."

Matt Kirshen: "I was playing chess with my friend and he said, 'Let's make this interesting'. So we stopped playing chess."

Sarah Millican: "My mother told me, you don't have to put anything in your mouth you don't want to. Then she made me eat broccoli, which felt like double standards."

Alan Sharp: "I was in a band which we called The Prevention, because we hoped people would say we were better than The Cure."

Roast beef and all the trimmings followed by a tasty selection of sweets enjoyed by a large attendance at the Lunch Club's sixth anniversary lunch on Wednesday 14th September. The toast 'The Club' was proposed by Ken Cameron and followed by a favourite hymn 'Shine Jesus Shine'.

Audrey Robinson, who attended the first ever lunch and most of those in-between, was 80 and the occasion was celebrated with a large card and a bouquet of flowers plus the usual Happy Birthday to You. During the interval and in-between courses, Ken and Tina Hayton did a Daisy Daisy routine which didn't actually prove Britain has got talent and the event ended with a lusty rendition of Jerusalem. Sheila Lathwell was as usual on the piano.

The next Lunch is on Wednesday October 12th 12.30 for 1pm Lasagne and vegetables, pudding and tea for £3.00

FHM and friends enjoyed a grand coach outing in Clacton on 13th August, the weather was very good as it seems were the fish and chips. After walking around the shops all were able to rest and admire the marvellous gardens near the sea front.

The annual Macmillan Coffee Morning will take place on Saturday 8th October, 11am to 2pm. This year will be a three churches event, St Johns, World Wide Church and FHM joining together. There will be various stalls, homemade cakes, preserves, bric a brac, treasure hunt, books etc. all in aid of a very good cause.

Details of above and future events from Ken Cameron.

The Fun Day at the Social Club in late August was very well attended and there were lots of fun activities for the children and adults to take part in. Poor Kevin got well and truly soaked when he offered to put his head through the giant frog, as seen on the front page, and people queued to throw wet sponges at him! (actually not sure he offered?).

Sally did a great job with her face painting and there were a lot of pretty butterflies running around, seen here with Evie (1) having her face painted.

Tony and Graham did an excellent job on the barbecue and had no shortage of customers for chicken, hot dogs and burgers. The Deal or No Deal cards in the marquee had a steady

stream of participants, likewise the Tombola for young and old and little Evie (2) above did not understand why she could not keep the ducks she fished out!

There was also a band in the evening and at the end of the day the grand total of £780 had been raised towards the Children's Christmas Party so well done to everyone who was helped at the event or attended and spent their money.

~~~~~

It was with great sorrow that we said farewell to the Richardson family who moved to York on the 31st August. Lisa & David attended our Sunday School when they were little and went on to be teachers and youth workers in the Luton Circuit. Last year they helped to set up our Two by Two club for children over eight years, which continues to grow in numbers.

Harry and Amy were popular members of both the Sunday School and 2x2 club and will be missed by the other children. Our Sunday School reopened on the 3rd of September and it was lovely to see all the children. After Church (in spite of the rain!) we held our Sunday School Barbecue. Fortunately it did brighten up later in the afternoon enabling the children to play in the garden.

Our RAGS walking group took part in the 'Bike 'n Hike' in aid of the Beds & Herts Churches Heritage Trust. We planned two routes, six people chose the shorter one and five brave souls tackled the longer one calling at the local churches on the way. We all met up back at the Church for a hearty lunch prepared and served by Lorna Alan & Lorraine. Meanwhile Erin and Mike Smith cycled a total of 30 miles visiting 25 churches. We hope we have raised a good amount of money towards the charity.

The Harvest Festival service was very well supported with freshly picked vegetables, fruit and flowers (some kindly given to us by fellow Caddington allotment holders), together with tinned and packet foods which weighed the table down. The Reverend Phil Horner led our service and we joined in singing all the traditional Harvest hymns and a collection was taken for the Methodist Relief and Development Fund. The following day was our Harvest Auction, Carole Bull was our auctioneer and she worked her way through the produce, amid great fun and laughter. £240 was raised for Water Aid.

We do hope you will pop along to our Autumn Fayre, lunch will be served from midday, Jacket Potatoes with various fillings, Pie Mash & Vegetables, puddings cakes etc plus all the fun of the Fayre.

A warm welcome awaits - we look forward to seeing you soon.

*With love & prayers from all at Aley Green  
Methodist Church* *Ann Meader*

**CADDINGTON W.I.**

---

We have been kept busy during the summer. At our July meeting we had a talk on 'Well, I never knew That'. Paul Heley gave us the reason behind many of the old fashioned sayings we still use today.

During August we went on a Group coach trip to Essex visiting smugglers haunts in the area. We also had an extremely interesting talk from Martin Towsey on the Woburn Abbey Gardens. Martin started working with the Gardens when he was very young and has worked his way up to Manager.

If you are looking for a local trip out do go and visit the Gardens, take a picnic and have a good walk around. It will be a very interesting day. September has arrived and our members are looking forward to our Birthday Party when we invite other group members and provide supper and entertainment for us all. It should be a good evening.

We meet on the third Tuesday in each month at the Baptist Church Hall in Dunstable Road at 7.30 p.m. You will be very welcome.

Sorry my report is shortened but had a really busy time preparing for my wedding on 17th September. I will write more next month

## 101 Non-Emergency Number

Bedfordshire Police have launched a new number providing people with a new way to get in touch about non-emergency issues. 101 is now the number to call Bedfordshire Police when it is less urgent than 999

As well as making the police more accessible to communities, it is intended that 101 will reduce the number of inappropriate 999 calls. There will be a single flat charge of 15p per call, regardless of the duration, time of day, mobile or landline. You should call 101 to report crime and other concerns that do not require an emergency response. For example:

- Stolen cars
- If you suspect drug dealing/taking
- To give us information about local crime
- To speak to your Local Policing Team

*In an emergency, always call 999 when you need an immediate response, For example:*

- Because a crime is in progress
- Someone suspected of a crime is nearby
- When there is danger to life
- When violence is being used or threatened

### 101 will not:

- Change the way in which we respond to non emergency calls
- Connect people to a large national call centre
- Result in calls receiving a lower priority than if 999 had been called for a non emergency issue

### 101 should not be used to report:

- Fly tipping
- Noise pollution
- Stray dogs

These should initially be reported to your local council as follows:

- Central Bedfordshire Council: 0300 300 8000
- Luton Borough Council: 01582 546000

**TIME FLIES**

---

Whatever happened to Monday?  
it simply melted away  
and every week seems to vanish  
it's due to age, they say!  
I remember places I have been  
and faces I used to know,  
but Tuesday, Wednesday and Thursday  
gone like the melted snow.  
So then it's Friday once again,  
with the weekend drawing near,  
and Sunday can be wonderful,  
or boring, dull and drear.  
and so the months keep slipping by  
and the years will not relent,  
Whatever happened to Monday?  
it simply came and went!

*With apples so  
abundant this  
Autumn I found  
this little apple  
poem -*

A bright and blessed thing to see  
the lovely laden apple tree.  
From the lowest branches I take  
four apples for my childhoods sake:  
One that I may remember still  
the Spring's first yellow daffodil;  
One for high summer; bathed in light  
the great elms quiver in my sight;  
One for the harvest, Autumn crown  
when rough hands lay the sickles down;  
and one for when the winter rain  
will sweep the upland and the plain.  
My lovely fruitful apple tree  
spells out the seasons — just for me.

In July we took a trip to Southend for the day. Although it was very windy it was not cold.

During August we travelled to Eastbourne and the day was sunshine all the way. Keith our driver, took us via the coastal way and the view of Eastbourne was great. In September we are hoping to go to Cambridge—so quite a variety of trips during the summer.

If you are a pensioner and looking for something local to do, why not come along and join us at the Village Hall on Thursday afternoons from 2—4pm. It's only £10 a year for membership and 40p for tea and biscuits every week. For any more information please ring Pam on 01582 452978.

Happy 80th Pam from all your Friendship friends, Line Dancing friends and Parish News. Hope you had a great birthday.

*And some of the girls show how it's done!*

At the meeting on 19 Sept. Rosemary gave members details of the trip made to Hitchin Lavender Farm. There was a most impressive display of lavender and visitors could walk along the rows, cut lavender and place in bag provided. It was not necessary to purchase an entrance ticket to visit the cafe or gift shop. Rosemary informed members the last trip of the year would be on Sunday 30 Oct. to King's Arms Gardens, Ampthill. Admission price: £2. Members should let Joan know in advance if they will be attending. (Meet Rising Sun car park.1.30pm).

Rosemary advised that the guest speaker at the November meeting would be Martin Towsey, Head Gardener at Woburn Abbey. His talk will be on the role of a Garden Manager. The meeting will be followed by drinks and a finger buffet/nibbles. Rosemary requested feedback from members at the Nov. meeting on this year's visits and speakers also suggestions for next year's programme.

Rosemary introduced Margaret Easter who gave an interesting presentation on Gardens in Autumn & Winter. She advised on flowers, plants and grasses to give colour in gardens throughout this period. She also brought along a selection of plants and grasses for sale.

## TELEPHONE SCAM

---

---

These details were sent to me recently and I thought many residents should be warned of this possible scam! Please be careful when answering callers who say they represent BT and do not be fooled into giving any bank account details.

*Sue Briggs*

'I received a call from a 'representative' of BT, informing me that he was dis-connecting me because of an unpaid bill. He demanded payment immediately of £31.00 or it would be £118.00 to re-connect at a later date. The guy wasn't even fazed when I told him I was with Virgin Media, allegedly VM have to pay BT a percentage for line rental! I asked the guy's name - he gave me the very 'English' John Peacock with a very 'African' accent - & phone number - 0800 0800 152. Obviously the fellow realised I didn't believe his story, so offered to demonstrate that he was from BT. I asked how & he told me to hang up & try phoning someone - he would dis-connect my phone to prevent this. AND HE DID !!

My phone was dead - no engaged tone, nothing - until he phoned me again. Very pleased with himself, he asked if that was enough proof that he was with BT. I asked how the payment was to be made and he said credit card, there and then. I didn't know how he'd done it, but I had absolutely no intention of paying him, I didn't believe his name or that he worked for BT. He hung up.

I dialled 1471 - number withheld I phoned his fictitious 0800 number - not recognised., so I phoned the police to let them know. I wasn't the first! It's only just started apparently, but it is escalating'

.Their advice was to let as many people as possible know of this scam. The fact that the phone does go off would probably convince some people it's real, so please make as many friends & family aware of this. How is it done?

This is good but not that clever.. He gave the wrong number - it should have been 0800 800 152 which takes you through to BT Business. The cutting off of the line is very simple, he stays on the line with the mute button on and you can't dial out - but he can hear you trying (This is because the person who initiates a call is the one to terminate it). When you stop trying he cuts off and immediately calls back.

You could almost be convinced! The sad thing is that it is so simple that it will certainly fool the elderly and vulnerable. By the way this is not about getting the cash as this would not get past merchant services - it is all about getting the credit card details which include the security number so that it can be used for far larger purchases.

Andy ORPIN. Community Support Officer

[A few more common scams you should be aware of:-](#)

### **Premium-rate telephone numbers**

You will receive correspondence via post, a text message or automated voicemail informing you that you have won a major prize and all you need to do to claim it is call an 090 premium-rate number You will invariably be kept on hold for a long time, all the while racking up more costs To protect yourself against these calls and texts, register your phone number with the Telephone Preference Service at [tpsonline.org.uk](http://tpsonline.org.uk) or call 0845 070 0707, which will reduce unwanted sales calls and messages.

### **Prize draw/sweepstakes**

You will usually receive a letter, email or telephone call that tells you that you have won a large prize. To claim your winnings you have to purchase some smaller prizes or send an administration fee. Swindlers rely on the fact that the small print is in a font that's so small most people won't bother to scrutinise it. However, if you do read it, you'll discover that you've simply been given the opportunity to enter a sweepstake you have only a very small chance of winning.

## Work at home / job opportunities

Who wouldn't relish the idea of rolling out of bed, making yourself some breakfast, and then settling down to work while still in your pyjamas? The swindlers make their cash through registration fees, but you'll soon discover that the amount of work you need to put in to recoup your initial outlay – let alone make a profit – is totally disproportionate.

If you would like to work from home, it's better to approach local companies that have a known presence as opposed to a faceless website or telephone service you've seen advertised on a poster. Contact Homeworkers Worldwide on 0113 217 4037 or go to [homeworkersww.org.uk](http://homeworkersww.org.uk).

## Miracle health cures

Who wouldn't pay for diet pills that meant you could literally have your cake and eat it? Like other unsolicited mail or emails, health swindlers aim to appear as professional as possible, reeling off an impressive amount of

medical qualifications and fake personal testimonials from "satisfied customers". Look out for exaggerated claims and don't let your desire to believe the claims overrule the logical part of you that knows they probably aren't true. Spam emails, are being sent around, apparently from HM Revenue & Customs, offering you a £1,500 rebate on your tax. 'Is this a spam email?' - Of course it is, do not be taken in because you think it is from an 'official' department.

## Money loans

You often come across advertisements in local papers offering fast money loans without formal credit checks. You call up a free-phone number and are then told that your loan is agreed but you need to pay insurance costs via a money transfer. But once you've paid the fee, you never receive your loan or hear from the company again.

**Never ever give your bank details to someone you do not know, especially on the phone.**
