July 2020

**THE COMMUNITY MAGAZINE FOR YOU!
WITH INFORMATION AND NEWS FROM YOU**
delivered to the whole of the Parish

Aley Green
Slip End

Pepperstock
Woodside

Editors' Notes

Welcome to the July edition of our magazine. Hopefully, by the time we deliver the next issue (September) through your doors, we will have a few more activities up and running on which to report.

Looking at the material we were sent, it seems that there is a theme for this month - caring for our own environment and dealing with things that mar it! There have been many complaints about litter, fly tipping, dog mess on pavements and more... I, for one, have noticed cleaner and clearer air recently with less muck to clean off the windows or outdoor furniture. We have had plenty of good weather for sitting in the garden and the birds are very much more audible than usual due to the lack of aeroplane noise.

To make up for less to report, we have another monthly Quiz for you to test your knowledge, thanks to Julie Taylor! I have added to this with a short photographic quiz—can you guess what the mystery items are?

We have an item about Gareth Malone and his lockdown choir. It looks as if Sue Briggs has enjoyed singing as part of this large group. There are several similar ideas around. I have been involved in a smaller version, recording a part in order to create a short video for Cantata Ladies Choir, who also rehearse each week on Zoom.

I enjoy music and theatre and I wonder how long it will be before orchestras, choirs and theatres will be able to get up and running again in some way, especially since I have family working in that business who are greatly missing performing and working behind the scenes.

Parish News Online

We know that some residents prefer a real copy of the magazine as they like to browse. However some people like to read magazines and books on their tablets or phone. Parish News can be found online at:-

www.slipendparishcouncil.co.uk and
www.slipend.co.uk where historical copies can also be found.

Remember there is no Parish News in August!

As I write, shops are opening up again. Shopping will not be the same relaxed activity for a while I fear. Maybe “retail therapy” will not be quite so popular. On the plus side some of our other businesses are also up and running.

In our Parish we have been lucky. Paul Cooper and his team of volunteers at the Frog & Rhubarb have been supplying our Fresh food needs as well as running a takeaway service. The Village Store has been open throughout. The Farm shop at Woodside has been open for fresh veg.

At Harpers, the food hall is still open for business with takeaway refreshments to enjoy in the outside seating area. Home food deliveries are also available to order via phone (01582 872001) Or email debbie@harpersfood.co.uk Unfortunately, they have had to cancel the September Craft Fayre.

You may have seen on the TV news that pubs and restaurants are busy trying to work out what they need to do to re-open safely. Our local pubs and club will be looking forward to welcoming us back through their doors. I asked for updates but, as yet, they cannot tell us about arrangements until the Government has confirmed opening dates and rules and the restrictions they may need to put in place. Hopefully this information will be available soon. Watch out on social media and the websites for information from them.

While we wait for things to change slowly to a new normal, we can still enjoy the fresh air and get out onto our local footpaths and now even venture a little further afield.

Some of the local attractions and beauty spots are opening up. You just need to pick and choose the time to go and avoid the crowds. We have walked on Dunstable Downs and Ashridge and managed to book a slot at Wrest Park north of Luton. I have considered visiting nearby National Trust properties and other places as well as Whipsnade Zoo now they have reopened. So far, we have not been tempted to join the crowds on a trip to the seaside but I am sure time, and space, to visit different places will become easier over the next few months.

Keep yourselves safe!

Alison Wilson

Caring for our Environment

Litter Sadly, our streets and verges are often strewn with rubbish that people have thrown from cars or dropped without care. The Council workers were spotted on the main road one day, collecting some of the mess. I belong to a Facebook group for NT volunteers and they are reporting rubbish in beauty spots and lovely beaches so it is clearly a countrywide problem.

We need to educate people to look after the environment and take their litter home. It is not enough to bag it (or bag the dog mess) and then leave it at the side of a path or even hanging in a tree! If we start with our own children and help them to care for the world, maybe the next generation will have a better world.

In the meantime, we do what we can to tidy up other people's mess. One resident, Gemma Day was spotted, out with her children, litter picking around the village. Hannah and Emmy help. They wear gardening gloves and take bags for what they collect. Well Done!

There are others on the local Facebook group who have set out with litter pickers. Another resident kindly bought several litter pickers and offered to lend them to people to join in with the efforts. **Thank you to all!**

Fly Tipping This seems to have increased while people have been at home over the past few months. We have found bags of garden and household rubbish everywhere down the back lanes and on corners. For your safety, you can't stop them but you CAN report them. The Parish Council is addressing the issue as best it can. (see page 11)

Airport Expansion Plans The community will probably welcome the news this week that Luton Airport is stepping back from its expansion plans for at least a year, and they will be heavily modified thereafter. These plans affect our community. We will all have noticed clearer air since the planes stopped flying during the lockdown.

The statement can be accessed on:

<https://futureluton.llal.org.uk/>

Parish Council Update

The latest Parish Council Meeting was held on Monday 8th June as a virtual Zoom Meeting.

Due to the COVID-19 outbreak this was the first Parish Council Meeting since March. It is hoped that normal Parish Council Meetings can resume in the Village Hall as soon as possible. However while Parish Council Meetings are held virtually, Residents are still welcome to also attend virtually. Please e-mail the Parish Clerk at clerk@slipendparishcouncil.co.uk prior to the meeting and a Zoom access code will be e-mailed just before the meeting commences. Dates of the upcoming Parish Council meetings can be found on the Parish Council website www.slipendparishcouncil.co.uk

Due to the COVID-19 outbreak the number of new Planning Applications has reduced and no new applications were received by the Parish Council prior to the meeting.

Following a request by a resident regarding the trees on Parish Council property in Claydown Way, it was agreed that two trees will be removed. for safety reasons. The removal of these trees will also save the Parish Council the on-going regular cost of having them cut back.

Crawley Playground and Youth Shelter have been shut since the end of March due to the COVID-19 outbreak. When it is safe to re-open, the equipment will be thoroughly cleaned beforehand. Following clarification of certain points that were raised, the Playground passed its RoSPA safety inspection.

The new Rossway planters are now in and planted. The village hanging baskets are also in place.

The Peter Edwards Hall has received various grants so work on replacing the showers will now proceed.

Fly tipping incidents have increased since lock-down and it was agreed to e-mail CBC regarding particular hotspots in Pepperstock and Woodside Road.

There has been an increase in Dog Fouling within the Parish. Reminders will be put on the Parish Facebook page and in Parish News.

Scoop the Poop!

Dog Poo – we've all stepped in it at some time in our lives. Some of us are unfortunate enough to then walk it through our houses, leaving a trail of devastation in our wake.

It is estimated that the UK dog population (between 6.5 and 7.4 million) produce 1,000 tonnes of excrement per day.

Now for the technical bit:

A Parish Council has the authority to make a Dog Control Order to provide controls on the handling and behaviour of dogs on areas of land within their authority. **There are five different types of dog control offences for which an order can be made. One of these is the 'fouling of Land by Dogs Order – Offence of failing to remove dog faeces'. The MAXIMUM fine in a Magistrates Court is £1,000.**

According to research by ENCAM, those members of the public that let their dog foul the pavement:

- don't believe they'll ever be caught
- didn't think the fine could be enforced
- only admit that their dog has fouled the pavement when pressed to admit it

Ever heard of **Toxocariasis**? It is the infection of humans with the larvae of a genus of roundworms, *Toxocara*, of dogs and cats. It can cause swelling of the liver and sometimes damage to the eyes and no, there isn't a useful treatment OR cure for it.

Toxocara eggs are not infectious until they embryonate. This is usually at least 2 – 3 weeks after they have been deposited by a dog. **Therefore, freshly deposited faeces are not infectious, and you can safely clear up after your dog.**

Please do so – the Parish is suffering from some recent deposits which have been invisible to the untrained eye and poor unsuspecting parishioners who have walked in it, taking it with them on their shoes to their home or car.

We all have to live in and walk around the Parish, let's make it more pleasurable to do without having to dodge the poo. If your dog poos, clear it up.

Enviro Crime (<http://www.centralbedfordshire.gov.uk/waste/litter/dog-fouling.aspx>) has been advised of the areas currently suffering from poo build up in the Parish and patrols will be established.

If you come across dog poo within the Parish you can report it to Enviro Crime by phone on 0300 300 8302 or by email community.safety@centralbedfordshire.gov.uk

- Traditional funerals
- Bespoke funerals Pre-paid funerals
- Green funerals
- Memorial consultants
- Chapel of Rest
- Home visits
- Flowers
- Custom wills

CADDINGTON SURGERY URGENT INFORMATION

A note from the surgery:

We want to hear from you, we are open, and we need everyone who can to contact us online (rather than telephone) via our new service 'ONLINE CONSULTATIONS'. All you need is an email address.

This is a secure online service provided by Caddington Surgery and funded in part by NHS England. It gives patients the opportunity to request help for a non-emergency medical problem or other practice matter at any time, even when the Surgery is closed. You will receive a response, generally by telephone, within normal working hours after the surgery receives your request. If necessary, a doctor's telephone consultation will be booked for you. It could also be an Admin query or a request for help where you might be asked for more information. The Doctors and staff would like Online Consultations to be the main method of contacting the Surgery in the future in order to free up the telephone for people who do not have online access. It is proving very successful for those who have used it, so please check out the Website for more details and register for this new service at:

www.caddingtonurgery.co.uk

Please note: This system is DIFFERENT to the online system which continues for repeat prescriptions. If you cannot use email why not ask a family member to help you use this service? You can help us to help you by giving more information, and even send photos if necessary, with your request for online consultations.

Personal recommendation – I have now used this service five times since Lockdown as I have had some fairly major health problems and can honestly say it has been really helpful for me in contacting the surgery online and explaining my symptoms, and even sending a photo on one occasion. Every time, I either received a telephone call from the surgery or a message on my registered account to inform me that the doctor would be ringing me that day, which they always did. You can even send your message the day before, so now no more waiting for ages on a busy phone line which must be a bonus. Sue Briggs.

Anyone for Tennis????

Slip End Tennis Club was formed in 1987 and is affiliated to the Beds Lawn Tennis Association. It is sited at Slip End Playing Fields, Church Road, Slip End and has two hard courts with floodlights.

It is a small friendly club with approx. 80 members. Current costs for new members are: Junior £15 (Those in full time education) Adult £30 and Family £50.

Club members have priority in the use of courts, except when either matches are to be played or coaching taking place.

Club night is on Monday evenings from 7pm, and Sunday mornings, to which all members are welcome. Coaching is provided by our LTA coach, Sally Parry. Seniors Tuesday evenings 6.30-7.30pm. Juniors on Fridays, Members £5 and Non Members £6 per session. Beginners 5-6pm and Intermediates 6-7pm. Ladies and private coaching is also available. Give Sally a call (413501)

Any enquiries about the club can be made by telephone or e-mail to:

Peter Smith, Chairman (01582 733253)

peter.smith813g@gmail.com

Steve Lyons, Secretary (01582 414162)

stevesuelyons@aol.com

(I noted that Tennis was one of the sports allowed to restart recently. For any details about advice on playing safely, see the LTA's website or talk to the Club members listed above. Ed.)

Fly Tipping Issues

I'm sure most residents are aware of the numerous fly tipping incidents our Parish has suffered recently, both before and since lockdown, and that unfortunately it continues.

The Parish Council had signs printed and installed at various locations around the Parish to try and deter fly tipping, and I have been in contact with the Safer Neighbourhood Team at Central Bedfordshire Council to work with them to see if any further actions can be taken.

Central Beds has the powers to use covert cameras and the Safer Neighbourhood Team is currently preparing the necessary legal paperwork required to use the cameras BUT the locations the cameras are set at is very much data dependant, so I urge all residents to report any fly tipping incidents to Central Bedfordshire Council. The more reports they receive the better our chances of having the cameras deployed in the Parish.

You can report tipping incidents by e-mail:
customer.services@centralbedfordshire.gov.uk
or by phone 0300 300 8302.

If you do report an incident please copy me in on the e-mail -
s.minnighan@slipendparishcouncil.co.uk

JULY QUIZ

Born on the nth of July

1 Born on 2 July 1489, martyred in Oxford under Mary I, he was Archbishop of Canterbury under Henry VIII and Edward VI introducing the Book of Common Prayer.

2 Born 3 July 1971, founder of Wikileaks, who took shelter in the Ecuadorian Embassy from 2012.

3 Born 11 July 1274, King of the Scots, defeated the army of Edward II at Bannockburn.

4 Born 30 July 1970, director of the Dark Knight trilogy and upcoming film Tenet.

5 Born 20 July 1919, with Sherpa Tenzing Norgay, became first climber to reach the summit of Everest.

6 Born 28 July 1866, an author, illustrator and natural scientist, creator of Peter Rabbit, she left much of her land to the National Trust.

7 Born 26 July 1993, real name Michael Ebenazer Kwadjo Omari Owuo Jr., his album Gang Signs & Prayer was the first grime album to reach number 1 in the UK albums charts.

8 Born 16 July 1911, she *did everything that Fred Astaire did. She just did it backwards and in high heels.*

9 Born 7 July 1940, born Richard Starkey, joined a Liverpool band in 1962 replacing Pete Best.

10 Born 30 July 1947, Austrian-American former Mr Universe who followed his film career with a stint of Governor of California from 2003-2011.

11 Born 28 July 1993, England captain who in his first full season at Spurs won the PFA Young Player of the Year.

12 Born 12 July 1997, activist for female education and youngest winner of the Nobel Peace Prize in 2014.

The answers can found on page 28

Photography Group

Some Club members have been continuing to take photos where and when they can during this time of restrictions. The topic for the last month was anything to do with “Cooking during the lockdown”. Next we will be photographing “Fruit and Vegetables”.

Our programme of events will be up and running again as soon as we are able to meet. To find out more about us, please contact Parish News or Andy Prothero via email:- countrygardensAP@outlook.com

A selection of the month's photos

Great British Home Chorus

with Gareth Malone

On the first day of Lockdown Gareth decided he would like to do something for all those people who enjoyed singing but could not go along to their groups or choirs. He formed the Great British Home Chorus and set out in a Cabin in his garden to join with people of all ages who wanted to share their voices together. That first day at 5.30pm 15,000 people joined and his enthusiasm was brilliant. His idea was to practise every weekday, even teaching different parts; soprano, alto, tenor and bass and eventually for everyone to send their audio clips and videos to Decca to all be put together using modern technology to make us sound amazing. A very adventurous plan. Music and words would be put online and a video of how to record your voice and where to send it, along with a photograph. The first song chosen was *You are my Sunshine*, but there were others to follow, also for recording and some to just sing along to including *We'll Meet Again* by Vera Lynn. There were online videos, tutorials and he invited many friends along to some of the sessions. It was a very rewarding experience and last Friday on June 12th it was Gareth's 50th session! We were even asked to record a new song written by a 16-year-old called Ray, for a television series that Gareth has been involved with, called *This is just another Storm* which was duly sent last weekend. Now these challenges have all finished Gareth is deciding what to do next, and insistent that there will be a follow-up which is great news. Well done Gareth Malone, you have certainly done your part to help the Great British Choirs during this difficult Lockdown. *Sue Briggs*

Culture in Lockdown

If you look on You Tube or Facebook, there are many videos made by professional and amateur musicians and choirs. It is good that people are continuing to entertain others in this way. You can also watch various plays, operas and musicals by searching for venues like the National Theatre or Shakespeare Theatre and many others. Whatever your taste, there is something available out there! Failing that, how about a good book!

Gardening Notes *by Russell Sprout*

After a prolonged cold and very wet spring we have at last had some warm sunny weather, let's hope by the time you are reading this it will have settled into a lovely summer.

Deadhead roses on a regular basis to encourage a second flush in the autumn and keep an eye out for greenfly, black spot, mildew and rust. Tie young stems of dahlias to their supports with soft string or raffia and if large blooms are required then dis-bud the lower buds to get long stems for cutting and arranging in a vase. Chrysanthemums can be treated the same way, but spray varieties should be left, although stake and tie-in shoots to avoid wind damage. Gladioli will not need staking for normal garden use but keep well watered and weed free.

Prune deciduous shrubs such as Jasmine and Philadelphus after flowering by removing spent flowers and weak shoots. Irises can be divided and replanted this month and cut the top half of the leaves off to avoid wind damage. July is the month when lilies are at their best and unless you want to save the seed they should be deadheaded as the flowers fade, water carnations and pinks if the weather is dry. Early this month sow Sweet Williams and Wall Flowers for colour in the spring. Rock gardens will look somewhat drab from now until the autumn but best to keep the weeds down to prevent the alpines from being overwhelmed, so keep weeding and trimming alpines and water if necessary. Mounded or carpeting plants not showing new growth should have soil mixture and fertiliser worked into them. Patio containers and hanging baskets will require watering at least once a day and deadhead to keep them looking their best.

Summer fruiting raspberries can be cut down as the fruiting canes are finished, but leave the new shoots because they will bear next year's crop. Tidy up the strawberry bed when the fruits are finished. Blackcurrants can be pruned after fruiting, cutting out the old wood, tie in new shoots of blackberries and loganberries but keep them separate from the fruiting shoots. In the greenhouse tomatoes and cucumbers should be bearing fruit; a liquid fertiliser should be applied every 7-10 days to encourage the fruits to ripen. Keep pinching out the side shoots of tomato plants (except bush varieties) to get decent size fruits.

Complete planting of leeks this month as well as late Brussels sprouts, winter cabbage and spring broccoli, also plant swedes by the middle of the month. In the herb garden make further sowings of Chervil, Dill and Parsley and remember to harvest just before they come into full bloom if you are going to dry them for future use.

If the weather is hot and dry and there isn't a hosepipe ban, then water the lawn regularly, aerate by spiking with a fork as this will help the water penetrate well below the surface where it's needed to keep it looking green.

Russell Sprout

A Message from St Andrew's

A New Normal

At the time of writing the Church is still closed. The church is the people not the building, but we are missing coming together to worship. We do continue to meet via Zoom at 10.30 am and 4.00 pm on Sundays with Morning Prayer on Thursdays at 9.30 am. Contact Cathy if you would like to join in.

As the lockdown eases, there is much talk about what sort of world we are emerging into, which commentators have dubbed “the new normal.”

I don't know about you but I have mixed feelings as I watch the news about what a new normal will be like. Will issues of racism and oppression be addressed or will we descend into violence on the streets? Will we remember the fantastic work of the NHS or will it be sold off? Will we value our green spaces or will we ruin them either by jumping back into our cars to pollute them, or dumping our litter all over them?

During the lockdown there have been many signs of hope – the clapping for the NHS, rainbows in windows, impromptu music, street art, donations of unwanted household items, food donations to Azalea, NOAH and the Food Bank. My prayer is that this will be the new normal.

As a Christian, I have already signed up to a new normal, and that is Jesus' vision of the Kingdom of God. It isn't fully realised yet – there is plenty of evidence in the news and our daily lives of that. BUT neither is it just life after death. The Kingdom breaks into our life before death if we live under God's rule instead of our own selfish rules.

Normal used to mean that brokenness stayed broken, injustice stayed unjust, the resentful continued in bitterness, and the bereaved remained desolate. Jesus changed all that. God's transformation of broken human lives and pain-filled human institutions *has* started now.

In Jesus, broken human beings can start flourishing in a transformed relationship with God. That is the new normal I want to be part of.

Julie Taylor,

Reader at St Andrew's

Prayer for a “new normal”

May these extraordinary times
lead to deep and necessary changes in how our world works,
resulting in a genuine effort to address the profound injustice
of life expectancy being determined by geography, class or race,
to awaken us all to the reality of how connected we all are
and to work together to create the community and world
we all want to be part of.

Amen.

(adapted from Christian Aid prayer in Love Never Fails)

Postscript As at 15th June:

Funerals Funerals in church are now permitted. St Andrew’s will be open for funerals. We are putting in place measures to ensure that we comply with Church of England guidance about physical distancing, cleaning and other safety measures.

Weddings There is as yet no date for weddings being again permitted in church.

ALL ABOUT PLANNING

Planning applications submitted within the Parish since 15th May 2020

Application CB/20/1832/GPDE submitted 3rd June

Cobblers Gold, Mancroft Road, Aley Green, LU1 4GG

Prior notification of Householder Extension. Single storey rear extension. 8m beyond the rear wall, 4m maximum height of extension, 3.2m. high at the eaves of the extension

Not yet decided.

For further information or to comment on applications visit

planning@centralbedfordshire.gov.uk

Can you help your Community?

NOTE—We have already had a response to the plea below which was placed on our local social media pages THANK YOU! However, if there is anyone else who is interested in helping out, please contact us as extra helpers are always welcome.

Is there anybody who is computer literate and would be able to help us out producing the Parish magazine

Since the start of the lockdown period, I have been editor for all of the issues (online and printed). Our second editor has been unable to take his turn over the past few months as he and his wife have been staying safe at home. He has done a great job as co-editor. However, in the current circumstances, he would prefer us to find someone else to take it on, with new ideas to help make the magazine interesting and informative for residents of all ages. It has been great to receive lots of new items and pictures recently and we would like that to continue.

We have recently purchased a new W10 laptop and are using Publisher (Office 365). The laptop is set up so that it can be shared by the editors to keep the material in one place.

Contact us via parishnews@slipend.co.uk Alison Wilson, Co-editor

We believe good value and excellent service go hand in hand.

Painting Challenge for Charity

Slip End resident, Hilary Macdonald asked us to include information about her brother's challenge. David, who lives near Exmoor in Somerset, decided to set himself a Challenge during lockdown to do a Painting a Day. After 60 days and 60 paintings later he closed the Challenge on 17th May. He has printed a booklet with all the paintings in it and he explains the story behind the inspiration for each painting. It is A5 size. Priced at £6, he is donating a third of the proceeds to NHS Charities for NHS Staff, Careworkers and their families. The Original Paintings are also for sale and are fully mounted and Size A4, he can also arrange for them to be framed if desired at a very reasonable price.. A third of this money is also going to NHS charities.

If you would like any further information or are interested in the paintings please contact Hilary at hilary.macdonald@hotmail.co.uk

Some of the flower boxes around the Parish, looking good!

ZSL | LONDON ZOO WHIPSNADE ZOO

Good News! Zoos were allowed to reopen from Monday 15th June 2020 so by the time you read this they will be welcoming visitors through their doors.

It's been a long couple of months since ZSL Whipsnade Zoo has had any visitors but the show has had to go on behind the scenes with the animals welfare being maintained throughout. They could do with some support so if you can, please visit the Zoo and support them in their new normal or make a donation online:

<https://donate.zsl.org/support-zsl-london-whipsnade-zoos>

They will be extremely grateful for whatever you can give to help them get back on their feet.

Thank You
