Editors' Notes

It seems a while since I wrote the editorial, since Matt kindly dealt with an extra issue after the usual August break, due to various celebrations in our family.

With a lack of activities and events happening in and around the Parish, we have often been resorting to photos of our local countryside as cover photos. These have shown the changing scenes through the seasons. If you have a suitable photo for us to use, please send it in to be considered for a little variety. This month's photo is by Martin Peck from a photo club evening "light trails" on the M1.

We had a comment from a resident about the July cover photo. It celebrated the lovely view shown but commented on the likelihood of changing views due to planning for building on some areas. He was concerned that land may be swallowed up by developments without us noticing that the planning has been granted, to the detriment of our children. Please note that we and the Parish Council include planning information where we can for you to consider and thus respond should you wish to do so.

We need to make the most of the open spaces we have and ensure we keep them tidy and encourage the wildlife that is essential for a balanced and beautiful world. Hence, well done to those sowing wildflower seeds, maintaining hedgerows and to those who collect litter and more...

I am glad to see that some of the regular activities are gradually getting back to some sort of normality. My calendar is filling up which is a sure indication that things are getting busier. I am looking forward to visits to the Little Theatre in Dunstable and to other concerts and events that are re-starting. Hopefully we will be including more of your regular activities in our diary pages. Please let us know what is planned!

New Gardening Contract for Slip End Parish Council

Slip End Parish Council is responsible for maintaining certain areas throughout the Parish including the Crawley Playground.

The 3 year contract for this role is now up for renewal, with work commencing in Spring 2022.

If you, or anyone you know, is interested in bidding for this Contract they should contact the Slip End Parish Clerk by email clerk@slipendparishcouncil.co.uk or by telephone on 01582 526594 on weekdays between 9.00am and noon.

All Bids need to be received by the Parish Clerk on or before the 11th December 2021.

For any bidders who would like to walk around the sites covered by the Contract, a Parish Councillor is available and may be booked through the Parish Clerk.

PARISH COUNCIL UPDATE

The Parish Council does not hold a meeting in August, so the latest Parish Council Meeting was held on Monday 6th September in the Village Hall.

One Planning Application was discussed this month:

CB/21/03910/FULL – 19 Crawley Close, Slip End – side connecting extension

After a short discussion, it was agreed to submit a “No Objection” comment to CBC Planning.

The 2020/21 Audit has been successfully completed with no issues. There was one small comment on the Public Rights dates which was amended correctly and uploaded to the website, and will be corrected at the next Audit.

Crawley Playground and Youth Shelter

The Parish Council has cleared up a lot of broken glass around the Youth Shelter. On the Zip Wire one stud has broken and will be replaced.

Hanging Baskets

It was agreed to renew the hanging basket contract with the current Supplier (Plantscape) for a further 3 years as the price increase was minimal. A limited number of potential new sites have been identified and a final decision on these will be taken at a later date. For reasons of safety, it was also agreed to ask Plantscape to re-survey all the lamp posts

It was agreed we would now ask Plantscape to undertake the watering as well.

The Vice Chairman has spoken to Cllr. Collins about the broken gate in Grove Road and CBC's presumption that the gate is the Parish Council's responsibility. All the gates, including the new ones at Woodside, have been paid for by CBC and are on Highways land and they are not on the Parish Council's Asset Register. It was agreed to email the relevant CBC contact pointing this out, and copy in Cllr. Collins.

Gardening Contract

The Parish Council will be seeking a new Contractor to undertake its Gardening work. This will be a 3 year contract. We will advertise the contract in the next two editions of the Parish News (*this issue and November*), with the end date for submissions being 11th December 2021.

If you interested in bidding for this work, or know someone who is, then please contact the Parish Clerk:

clerk@slipendparishcouncil.co.uk

Refreshments (£3)

The Chatty Club has just started again!

If you are retired and live in Slip End, Pepperstock or Woodside, please come along to join us for a chat.

For new people who would like to come and join us, we have afternoon tea or coffee with sandwiches and a piece of cake. This is provided by Paul Cooper at a very reasonable cost of £3.

A reasonably priced raffle is held every week.

We also arrange occasional outings as a group a few times a year.

Line Dancing

Caddington Sports & Social Club

every Wednesday from 10am - 12noon £5

It is good to be back Line Dancing after the long lockdown prevented us from meeting. We meet every Wednesday at Caddington Sports & Social club from 10am to 12 noon. There is always a warm welcome there and a chance to meet up with old and new friends. The dances are very easy to learn and Jean is a very patient instructor. Don't forget a cold drink and £5 to cover the fee.

The photo shows just some of the dancers, from beginners to the more advanced dancers.

Come along and give it a try - its good exercise and a good way to improve your memory when you learn the sequences.

Slip End Allotments

By the time you read this, the allotments will be no more!

I would like to thank all those who have had plots over the years.

We used to have a good committee but over the years, they have passed away or moved.

I would like to thank Steve Wickens for all he has done and also my wife Gillian for her help with the accounts.

I would like to say a special thank you to Derrick Worsley who was the longest serving allotment holder and committee member, who still likes to be kept informed.

Derrick loved his allotments and would always be there when he could. He enjoyed talking to people and giving them advice.

Michael Plummer, Allotment Secretary

Having seen residents walking up and down with tools and produce over the years, I am sure that much fresh produce has been enjoyed! I am sure everyone would want to thank the committee and other allotment holders for providing help and advice! Ed.

Garden rubbish....

Parish News received a note through the door from an allotment holder, who was still collecting produce from their plot up to the end of the month, concerning the contents of a green bin. It appears that someone may have emptied a bin (or someone dumped garden waste) on the path to the allotment causing much distress and annoyance.

Sadly, especially with the green bins not being emptied recently, there are people who feel that rubbish can be dumped anywhere. This is an ongoing issue in the area which we hope can be improved through vigilance and reporting.

Gardening Notes *by Russell Sprout*

Time now to get the garden sorted for the winter so you are ready for next season. Remove all annuals before they become too bedraggled. Most hardy perennials should be planted this month unless the soil is very wet in which case wait for a dry spell, or the soil will compact where trodden on. Cut Dahlias down to about six inches above ground level as soon as the frost blackens the leaves, then dig them up using a fork and try not to damage the tubers, dry in a frost free shed for about a week and plant in shallow trays with just enough peat or ash to cover the tubers and keep slightly damp, shoots will appear next spring. Sweet peas can be sown direct into the ground now or in pots from the middle of the month in a cold greenhouse, plant tulips and Hyacinths this month and into November. Tulips planted earlier may be damaged by frost and may suffer tulip fire disease. Plant border Carnations and Pinks, space border Carnations about 15 – 18 inches apart and Pinks 12 inches apart.

Chrysanthemums can either be left in the ground to over-winter but do not cut the tops down until spring, or lift the stools, cut the tops down and plant them at the same depth they were growing at in a cold frame or greenhouse and take cuttings in the spring but do remember to label them before lifting. Gladioli do not fare well if left in the ground to over-winter so lift them about the second week of the month and dry them off thoroughly then cut the stem just above the corm, the roots can be removed as soon as they are dry. Store them in a frost free environment and replant in the spring.

Cut out the canes that carried this year's fruit from Blackberries and Loganberries and summer fruiting Raspberries and tie in the new shoots to a wire or frame. Complete the planting of strawberries this month for fruiting next year and clear all rubbish from established beds. Towards the end of the month plant all types of hardy deciduous trees and shrubs but not in frosty weather or strong winds.

If you have a pond you should be thinking about preparing it for the winter by drastically thinning out underwater oxygenating plants and remove old water lily leaves. This will avoid the presence of a great deal of decaying vegetation on the base of the pond when the water is iced over, and will minimize the formation of toxic gases and prevent a shortage of oxygen. If the water looks dark green or blackish, drain off half the volume and replace with fresh water.

Russell Sprout

A note from Caddington Surgery:

Thank you! and Welcome to new voices and faces!

We as a team want to say "Thank you! " We really appreciate the ongoing support of you our patients.

Life continues to be very different, and hard for many. We know that the enormous continuing pressures on the whole NHS, including our general practice, can mean it often feels difficult being on the patient side of things.

We all continue to work in very challenging and fast changing circumstances. We have often had to change our way of working at a day's notice, as we did at the beginning of the pandemic when the Government first directed us to triage all appointment requests and use face to face only when absolutely essential.

Since then the task has been to gradually increase the proportion of face to face appointments, according to the risk level at the time.

Many patients continue to find telephone and online appointments ideal and convenient.

Triage is still needed to keep everyone safe , and to be able to see people face to face where needed(-please say if you feel you need this)

We haven't had time to write articles- but the many misleading media articles that have been written have made it a priority to do so now.

Triage has to be ongoing. Your understanding of this means we are as able as possible to meet the much higher than usual levels of demand, safely and appropriately. Thank you.

We invite you to join us in welcoming some new faces (and voices on the phone) to our team, including receptionists, clinical pharmacists and our care coordinator.

We hope they will soon discover why serving this particular community is so good that some of us have stayed for a decade or two !!

Thank you again. We appreciate, and do not take for granted, your trust in us to do our very best to serve you.

Dr Tara Verity On behalf of the Caddington Surgery team

Photography Group

The Photography Club members are back meeting at the Social Club. We hope that we will gather twice a month on 1st & 3rd Tuesdays. We hope to be able to arrange a few speakers or other events once the evenings are not suitable for outings. We are still taking photos for a monthly topic. August's topic was Statues. This attracted an excellent selection from our members, so much so that it was hard to choose only a few for the magazine! Some were taken recently while "out and about" alongside a sprinkling of old pictures from days when we could travel! Next topic— Countryside.

A Message from St Andrew's

Recently my listening habits have changed and I have moved from listening to live radio to instead listening to podcasts. Although I am surely not the target audience, a podcast I really enjoy is called "Don't Tell Me The Score." The host, Simon Mundie, interviews a different guest each week. Guests have included Frankie Dettori, Damon Hill, Eddie Hearn – I told you that I'm not the target audience. The reason for wibbling on about this is not that I've got shares in DTMTS, but that the last episode I listened to was all about KINDNESS.

On the show, guest Dr David Hamilton explained that kindness can make us happier, deepen our relationships and even improve our physical health. It has the power to ripple out and make a big impact on the world around us too.

DTMTS is not a Christian show, but kindness IS at the heart of the Christian faith. (Yes, I know that Christians don't have a monopoly on kindness, nor do we always exhibit this virtue, but bear with.)

So many Bible verses celebrate God's kindness to us (sometimes called grace, mercy, love, compassion, or faithfulness) and tell us to be kind to others. For example, "Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you. (Ephesians 4:32).

How do we live this out in practice? With God's help we hope that it permeates every aspect of our lives and is second nature. It has to go a bit deeper than just tweeting #BeKind. At St Andrew's we also want to show kindness "corporately" as a church family.

How we do that involves a very long list, but one way is that we tithe, which means that we give 10% of our income to charity. In addition, we have special collections for charities at certain times of year or in response to emergencies. Our Harvest service collection was for the Bishop's Harvest Appeal "Water is Life" bringing clean water to communities in the DRC. We make regular donations of food to Luton Food Bank. Get in touch if you want to contribute to that.

We also support the Shoebox Appeal and this year Shoebox Sunday is on 31st October. We will be looking at how to be kind to the others as part of Living God's Love at our Half Term Fun Day on Friday 29th October. (See advert elsewhere in PN.)

We also want to be kind to the planet. With COP26 approaching, we have been looking at how to respond to the climate crisis. A practical step is to reduce our

meat consumption. Not everyone is ready to go vegan or even vegetarian but substituting in a few meat-free meals a week helps to reduce our carbon footprint. To encourage this, we have produced a recipe book of meat-free meals to try. Copies are available in church for a small donation. Thank you to everyone who contributed to it.

God bless, Julie Taylor, Reader at St Andrew's

We are pleased to confirm that Little Stars continues

It starts at 10.30am each Wednesday and will run on:-

6th, 13th, 20th October (no session on 27th which is half term week).

All about Bringing in the Harvest

It was a brilliant display of 'bringing in the harvest' and incredible to watch. The Combine Harvester goes along at speed combining four separate harvesting operations - reaping, threshing, gathering and winnowing into a single process. Then once the grain tank is full, the tractor drives along at

speed to catch up with the combine and the grain is carried up from the tank by an elevator and shoots sideways into the cart on the back of the tractor.

While we stood and watched them at work, Dick Downs kindly

gave us a wonderful explanation of harvesting.

Sue Briggs

Allotment land

The allotments are looking very sad now with most of the villagers giving up their plots after all their hard work! There has been some work done in New Street and two trees have been cut down as the houses opposite were being affected by subsidence from the tree roots. Some other ground has also been cleared.

We wonder what will happen next! *(photos from Sue Briggs)*

7:30pm Coffee Evening in aid of Keech Hospice Care

Sunday 31st

10:30am Morning Service led by Mr John Enejo

We are pleased to welcome everyone back to our regular services and events.

As we did not hold a coffee evening in August, we decided to send a donation of £50 to World Vision in lieu of funds raised.

We reopened "Cakes and Company" in September. During the morning we welcomed some of our regular friends as well as 5 new people and raised over £90 for church funds. This event is a community coffee morning, held once a month, where there is the opportunity to drink tea or coffee, sample cakes and chat!

As often said before, there is a small charge for food and drinks but Company is priceless!

We have also re-started our Charity Coffee Evenings. The charity for September's evening was "Water Aid" and the October evening will be supporting the Keech Hospice.

By the time you read this we will have held our Harvest Festival. All tins, packets and jars will be donated to the Luton Foodbank.

The morning service on 10th October will be our first chance to welcome Rev. Patrick Kandeh, who is the new Superintendent of the South Bedfordshire Circuit.

God Bless!

Granny's Wartime Soup

Handful of frozen peas

1 leek

1 carrot

1 potato

1/2 pint chicken stock (or vegetable stock!)

1/2 pint milk

Salt & pepper

Dice vegetables, simmer in stock for 10 minutes. Add frozen peas. Stir, season, add the milk and bring to the boil, serve.

Now we are in richer times (not Wartime rationing!) it is lovely with a dollop of cream and croutons. Hope people enjoy this simple soup, serves about 4.

Received via the magazine's e-mail, a little too late for the Church recipe book—I thought this sounded good for cooler days to come. Thanks to Merry Hitchen—Ed

Caddington W. I.

Well, what can I say? What a great night we had for our 66th birthday party. This was held at Caddington Sports and Social Club in September. Eight visitors from our Group W.I.s joined us. Carol Jones provided us with a sumptuous meal of Coronation Chicken with two rice bowls, quiche and salads. Desserts, also made by Carol, included an apple ladder, raspberry cheesecake, fruit salad and cream. We each had a single birthday cake.

Fred Thomas played his keyboard and we all sang from Carol's song sheet. It was fun with us all joining in. Carol and I performed a couple of comedy sketches. Our raffle was a huge success with Carol Jones 1st, Carol Hardy 2nd and Mary Daly 3rd.

A big thank you goes to Carol and all her helpers. Terri, who runs the Club also deserves a mention for all her help, too.

Our actual birthday is 29th September - we are going to The Hunters Lodge in Whipsnade for a celebratory meal.

On the 5th October we have our Annual Meeting when we form a new Committee and elect a President. We do need members to help on the night of our Meeting and other jobs to make our W.I. run smoothly. Sue Pestell, our Adviser will help on the night.

Our meeting in November is a craft night. Carol will put her 'other hat' on and get us to create a masterpiece!

New members are welcome - our WI is growing fast.

Come and join us at 7.30pm on the First Tuesday of the month at the Caddington Sports and Social Club.

Linda Edwards (President)

Our plan to clear your garden waste

Central
Bedfordshire

We are pleased to confirm that we will collect your garden waste between 18th October and the 30th of October. To facilitate this, food waste will not be collected, during this two-week window.

This collection is to help clear the waste in resident's garden bins, caused by the national driver shortages.

- during this two-week window, place your garden waste bins or two council issued bags at the kerbside instead of your food waste bins.
- do this from 7am on the days you normally have your recycling collected
- from Monday 27th September, you will also no longer need to book a slot at your local Household Waste Recycling Centres (tidy tips).

Visit our website for more details: <https://www.centralbedfordshire.gov.uk/waste-disruption>

Monday to Friday
