Editors' Notes

Welcome to our September issue. It is good to see that there were many successful events during the summer months, after the past few years of uncertain times.

We had a busy Village Day in July, see the report from Jill and Tracey, as well as a selection of photos. It was a hot and sunny day with lots of people attending the event. Well done to the team!

The following weekend was the Open Gardens. I had hoped to visit many of these to take photos but, sadly, I was forced to stay at home due to Covid! Fortunately a few people were able to send photos but had not visited all the gardens so I have included a sample in the space we have.

As I type this, I can see a view of brown, parched grass on our "green" and various front gardens. Hopefully, everyone is being careful with their use of water and also avoiding any litter or anything that can cause a fire. There have been fires in the locality but not as many or as devastating as there have been in some areas of the country. The photos below were taken by Andy Prothero as the Fire Service tackled the second of the fires in the fields near Woodside.

Coming up we have a number of community events for young and old!

Events tend to be advertised on social media at shorter notice than we are able to do. If there is an upcoming event planned, we need the details / poster by 15th of the month before.

There have been changes recently in the pubs and social club . We welcome those who have taken over and wish them luck!

Village Day on 9th July was an amazing day with lots to do for the whole family.

As well as the many and varied stalls there were games and activities including the, very popular Zorb Balls, bouncy castle, bungee run, steam train and archery. Teaching Talons again brought us some of there wonderful animals to observe and hold.

We really enjoyed the arena entertainment. The Xtreme Mountain Bikes were brilliant and so were the OPDA and Irish dancers, Bounce, the Martial Arts display and talented Slip End Village School choir.

The BBQ provided lunch and, in the hall, were teas, coffees and home made cakes for afternoon tea. Thank you to Wayne, Hugo, Dave and Peter for cooking all day.

None of this would be possible without the volunteers who worked super-hard in the heat before, during and after the event. A huge thank you to Paul Cooper from the Frog & Rhubarb for organising the bar and BBQ again this year. You are all stars. Thank you !!!

PARISH COUNCIL UPDATE

The latest Parish Council Meeting was held on Monday 4th July in the Village Hall.

Three Planning Applications were discussed this month:

CB/22/02141/FULL – 78 Woodside Road, Woodside – Erection of a one bedroom dwelling with parking.

It was decided to object to this application on the basis of:

- * The proposed development would constitute inappropriate development within the Green Belt.
- * The proposed development would constitute an over development of the plot and would harm the character and enjoyment of FP4 of the Heritage Greenway.
- * Car parking.
- * Safety of users of the Heritage Greenway.

CB/22/02253/FULL – 2 Whyleys Cottages, Woodside Road – Single Storey Rear Extension.

It was agreed to lodge a “No Comment” to this Planning Application.

CB/22/02325/FULL – Land to the rear of 90 Front Street – Retrospective full planning application for the temporary planning permission (2.5 years) for the hardstanding, buildings and change of use of land.

The Council voted to object to this Planning Application on the grounds of:

- * The development constitutes inappropriate development on the Green Belt.

- * The development is helping join the village of Slip End with the hamlet of Pepperstock.

Crawley Playground and Youth Shelter

Some anti-slip tape has been purchased to attach to the zip wire ramp.

The signs put up to prevent the broken swing being used have been removed several times.

The Parish Council Contractor has found the remains of drug usage at the Youth Shelter which has been removed and disposed of.

Good Neighbour Scheme

A successful quiz night was held at the Social Club which raised £300. The GNS will run a Tombola stall at the Village Day. A GNS Tea Party will be held at the Village Hall on the 20th July. First aid and manual handling training courses have been booked for volunteers.

Parish Trees

It was agreed to accept the lowest priced Quotation for the removal of 5 trees and a holly tree from within the St Andrew's Churchyard.

No meeting held in August. The next meeting will be in September.

## GARDENING CLUB

The ninth Open Gardens Day took place on Saturday 16th July. (See photos) There were ten gardens, which approx. 50 people visited. The long spell of hot weather without hardly any rain contributed to lower visitor numbers than previously also had an adverse effect on gardens. It was good to have five new gardens out of the ten which opened, and made for an enjoyable and interesting day for visitors. People gained ideas for their own gardens, also got to know/make friends with other people in the village. The Committee wishes to thank those who opened their gardens, supported the event and helped on the day. Those who opened their garden had the opportunity to see the other "Open Gardens" the following Monday and Tuesday.

The £227 funds raised will help to pay for future Guest Speakers at meetings and their travelling expenses. In addition the Gardening Club is continuing sponsorship of the Crawley Close flower beds, in front of the bungalows.

The June Garden visit was made to 28 Fishpool Street, St Albans. Sculpted box and yew hedging and a C17 Tripe House feature strongly in this tranquil oasis set in the vicinity of St Albans Cathedral. Gravel paths lead to a lawn surrounded by late flowering sustainable herbaceous perennial borders and a relaxed woodland retreat. Imaginative planting in all areas offer unique perspectives

July visits were made to Jordans Mill, Broom nr Biggleswade, an historic mill with gardens and riverside café and Eversholt Gardens nr Milton Keynes. A lovely circular walk taking in two country gardens, a beautiful small vegetable plot and atmospheric church yard, picturesque village green opposite large pond area surrounded by wooded paths, overlooked by the church.

Future garden visit is to the following:-  
Wed. 7 Sep. Anglesey Abbey, Cambs

## Helen and Paul Randall

Our love and best wishes to Helen Acton Green, daughter of Jill and Barrie Acton, and Paul Randall who were married in Sorrento on 2nd August.

Many of you will know Helen who was brought up in Slip End with sisters Cathryn and Tracey, living in Front Street and then Crawley Close.

The wedding was third time lucky as Covid cancelled their first dates. This time all went perfectly. Helen was escorted down the aisle by eldest sons Callan and Josh. Youngest son Jake was in charge of the rings and bridesmaids were Tracey and Sean's daughter Indi and Paul's niece Connie.

## Photography Club

A number of Club members brought pictures to show for the exhibition as part of Village Day. We also provided tea, coffee, drinks and cakes which went down well.

We were disappointed when we had to postpone the talk and picture show of “the small world” originally organised for July due to the very high temperatures that week. The plan is to rearrange it for October .

In the mean time we have continued to meet at the Social Club on the first Tuesday of the month sharing pictures of topics.

Recent topics have included transport and glass. Glass produced an interesting variety of ideas—windows, stained glass, lens balls, glasses and vases and much more. It is always good to see how different people interpret the theme.

We try to have a talk or a practical session on the third Tuesday of the month at the Heathfield Centre in Caddington.

Photos for the September meeting will be on the topic of birds and animals, with a limit that photos must have been taken during the previous month.

## Message from St Andrew's

Harvest time has come early this year! I was walking outside the church (its mid-August as I write) and thinking about the task of clearing the overgrowth in the churchyard. My thoughts were interrupted by the sound of a heavy engine coming through the boundary hedge. I walked up to it and the noise got progressively louder. Then my view through the hedge gaps was suddenly obscured by a Combine Harvester at work, skirting the very edge of the adjoining farm land.

In Bible times, the whole process around harvest was managed very differently. For instance Leviticus 23.22 gives a rule for farmers at harvest time when it says "When you reap the harvest of your land, do not reap to the very edges of your field, or gather the gleanings of your harvest. Leave them for the poor and for the foreigner residing among you." The symbolism of harvest in the bible pointed both to material blessings from God, as well as His spiritual provision for the world. Regarding the former, although in our context we celebrate a harvest season just once a year, the manifestation of harvest occurs all the time. For instance, those who do paid work experience harvest when they receive their wages.

As we commemorate harvest season in church this year, we are encouraged to offer help to the needy in different ways. As a church, in addition to giving our harvest gifts to local charities such as Luton Food Bank, our collection plate will go to the Bishop's Harvest Appeal. This year the appeal will help change the lives of people in Mozambique. The country has faced terrorist attacks, political unrest, food shortages, and an onslaught of natural disasters including droughts, monsoons, floods and cyclones. Families and communities have suffered greatly from their relentlessly adverse situation. More information is available at <https://www.stalbans.anglican.org/faith/bishops-annual-harvest-appeal/>. This harvest season, be a blessing to the world.

God bless, *Revd Nick Mwandia*

## St. Andrew's Church - Dates for September

We are pleased to confirm that the church building continues to be open! Most aspects are back to normal but we continue to designate an area at the back of church for those wishing to socially distance, and there are Covid security measures around the sharing of bread and wine at Communion services.

However if you would prefer to join the live service virtually, Nick has set up a Zoom link which is open to all. You can join by putting in the number 878 5926 2657 and the passcode 664663 to Zoom Services held at St Andrew's:

September 4th 10.30am: Informal Communion – The cost of discipleship

September 11th 10.30am: Morning Praise – Jesus, the bread of life

September 18th 10.30am: Holy Communion – Faithful stewardship

September 25th 10.30am: Family Service – Harvest Praise

We are continuing with a monthly Family Service on the last Sunday of each month. Of course all ages are welcome to every service, but the service content will be especially accessible to all generations at the Family Service.

Little Stars starts at 10.30am each Wednesday.

Sessions will be held on 7th, 14th, 21st & 28th September.

\*\*\*\*\*

Over the last couple of months we have raised money for charities at various events and morning services. We sent £127 to MHA (Methodist Homes for the Aged) and a grand £245 to Action for Children.

Sadly, on a Sunday in late July, we found that the church premises had been broken into, the evening before. Fortunately there was no major damage but a few items had been taken as well as some cash that had (unusually) been left in the church. We wondered about the perpetrator as we found they had consumed some (non-alcoholic) communion wine, some Schloer and even tasted the home made Picalilli!

People have been very kind, responding with sympathy, prayers and various donations and we are very grateful for the support.

Now we are almost restored to normality, we look forward to welcoming friends new and old to our services and community activities. You will be given a very warm welcome!

With every blessing. *From all at Aley Green*

## Celebrations for Dot Reid on her 99th Birthday

I was lucky enough to visit Dot Reid on her 99th Birthday on 11th August. Dot had lived in Slip End village for many years and used to run the newsagents in Church Street with husband Tom. Recently she moved away and now lives with her daughter Cynthia in Leighton Buzzard. However, she has returned when possible to attend the Chatty Club. Dot recently broke her hip but has made a remarkable recovery under the care of Cynthia and relatives living nearby.

Dot had been out and about for her Birthday week, visiting Cadbury World in Birmingham on the Monday and Milton Keynes on the Wednesday. She had a room full of cards from family and friends and had a great week in all.

Dot with her special 99 balloon and with me. The next day there was a party at The Axe

& Compass in Heath & Reach for many friends and family. Jan & Alan Buttery went along (photo below). By Sue Briggs

## Slip End School Piano Concert

On the 29th June the school was able to hold a choir and piano concert in the school hall with all the children present, along with parents of the children who were performing.

### *The ever-growing school choir*

### *The 8 pianists who played beautifully*

*Teacher Elaine Brandon—very proud of all her students.*

It was a real treat to see all the children back in the hall after Lockdown. The choir sang three songs, Dynamite, Wellerman and Living and Learning which sounded excellent.

The pianists, Myla, Joshua, Mae, Elizabeth, Tobias, Charles, Jayden and Elisabeth did very well and were a credit to their teacher Elaine. Four of the pianists also received a Certificate of Achievement for work they had done this year. Well done to all the children who performed.

## Gardening Notes

by *Russell Sprout*

Well we can't moan that we didn't get a summer this year, although the temperatures were a bit too much at times and the lack of rain has been a problem, but as summer fades into autumn and the days start to shorten early morning frosts are likely towards the end of the month, so beware.

Keep dead-heading roses, cuttings can be taken now, about 12" long, remove all the thorns and trim top and bottom leaving just the upper pair of leaves and insert into the soil so that the lowest leaf is just above the soil, these will take about a year to root and be ready to transplant. As annuals start to fade remove them so that spring bedding plants can be planted towards the end of the month, such as wallflowers, polyanthus, forget-me-nots and sweet williams. Bulbs such as daffodils, hyacinths, tulips and crocuses can also be planted at the same time.

If you have grown large type dahlias or chrysanthemums it would be a good idea to stake them to stop the wind breaking them and if cutting for the vase do it when the blooms are well opened. If you intend to take cuttings from the root stock of chrysanthemums it is a good idea to label them whilst you can tell what colours they are, or like me you will forget and have to go for pot luck next year! Gladioli corms should be left in the ground to mature until next month, although the tops may turn brown.

New growth on climbers should be tied in to stop them from getting damaged by the wind, but make ties loose enough to allow for the thickening of the stems as they develop. Towards the end of the month alpine can be replanted and this month is a good time to make a rockery. Make sure it is free draining and will not become too wet, as the plants will rot, so make sure there is plenty of rubble as a base and finer rubble as a top layer. Clip hedges of any new growth for the last time and remove any weeds and burn or compost them. You can plant a new hedge from mid-September to mid-October.

Remove any shading from greenhouses as the plants will require more light and the sun starts to lose its fierce heat. Apples and pears can be stored if you cannot use them all right now, but make sure the stalk is attached to the fruit (otherwise they will not store well) and the fruit has no blemishes. Wrap them individually in paper and place in a cool, dark, dry place such as a shed, but watch out for mice or they will eat them before you do! Check once a week for any that need discarding or using. Harvest soft fruit as it ripens and when they have finished fruiting cut out all the old wood and tie in the new shoots. Spring cabbages can be planted out towards the end of the month, plant close together in the rows and as they get going in the spring pull every other one out and use as leaf greens and leave the others to mature and heart up.

That's all until next month, keep safe and well everyone.

*Russell Sprout*

## **1st Woodside Brownies**

Some of the girls went to Wrest Park for the Queen's Jubilee celebrations and they had a good time.

Four girls went to Windy Sails (Whipsnade) for a Sleepover. They visited the zoo, just up the road.

We still have some places for girls from 7 years of age with lots of fun.

We meet at the Village Hall on Wednesdays during term time only from 6:00 to 7:30pm.

We start back on Wednesday 7th September.

For more information ring 01582 723109

## **Macmillan Coffee Evening Wednesday 28th September Village Hall**

See notices for details

## **SEADA**

## **BINGO**

This has now ceased to operate due to a lack of support.

On Saturday 2nd July we took those who had supported us over the years on a coach trip to Great Yarmouth. They also had a gift for their support.

The money that is left in the bank will be donated to worthy charities.

## Slip End Carpet Bowls

Nothing much on the TV and want something to do now the nights are drawing in?

Why not pop along to the Village Hall on a Tuesday evening and have a go at Carpet Bowls and a chat over a cup of tea or coffee.

We are a nice friendly crowd of men and women who will give you help if you have not played before.

We start again on 6th September

For more information contact Shirley on 01582 412506

## Boxing Update

On Saturday 3rd July, it was Frank Warren's Bill for the international Super Bantamweight. Jason Cunnigham was against the South African Zolani Tete. Jason went into this fight knowing it would be hard as Zolani had already held 2 world titles. The first 2 rounds were warming up, the 3rd even. In the 4th Jason walked into a punch and went down, on a count of 3 he got up. Then he walked into another punch and hit the floor and was counted out. It is good to know that he is OK now.

Hope to see you next time.

## **Who Let the Dads Out (WLDO)**

Our next event is arranged for Saturday 10th September starting at 10.00am through to 12.00 noon in the Baptist Church Centre on Buckwood Road, Markyate for all Dads, Grandads, and male carers and their children.

There will be our famous unlimited, eat as much as you like for £4.00 a family, bacon and sausage baps, cereals, toast, croissants and pastries, fresh fruit and hot and cold drinks as well as a great selection of family games (giant Jenga is proving very competitive with families at the moment) as well as pool and air hockey, daily papers and great chaps chat and banter. The big attraction we are hearing through social media is that:

Mums are discovering some free time for themselves!

## Caddington W. I.

Chris Becham came to our W.I. in July and discussed Our Hidden History. Metal Detecting began for Chris when he was very young and he has carried on with this hobby with great enthusiasm. Chris was a Diabetic NHS nurse but really his heart was in detecting. So much so that in 2011 he formed a group with just 29 members. Until now he has 800 members - all distributed around the country. This hobby can take many or few hours depending on how much time you have.

Many stories were told as to how a small signal could be heard and the digging would commence. Sometimes a dig of three feet would be necessary to retrieve an artifact. A lot of small items were found including coins. These items were examined and either kept by the keeper or a museum would take them. Items as old as Early Bronze for flint, Roman for brooches, Anglo Saxon, and Early Medieval villages have all been located.

September is a very busy month for us. On the 6th Houghton Regis have a Group Meeting and the 8th is our own Birthday Party. This will be at the Caddington Sports Social Club starting at 7.30 p.m. There will be entertainment and supper together with a raffle. A fun evening.

During December our monthly meeting will be our Christmas Party held on the 6th followed by our own Group meeting on Friday the 9th.

On the 15th of December, we have invited the Dunstable Ladies Choir to sing for us. This usually includes Christmas melodies and our joining in with familiar songs. Always a good selection of cakes for us to try. Tickets are £4 each.

If you want to join a friendly ladies club please come along. Our membership is increasing steadily. We meet at 7.30. p.m. on the First Tuesday of each month at the Caddington Sports and Social Club. Look forward to seeing you.
