EDITOR'S NOTES

It's been a while since I've done a Parish News Edition, my first of 2026 in fact. First of all, a big thank you to John for completing the past 3 editions whilst I've been unable to commit due to workload. It's been very much appreciated.

Hope everyone is well and has been enjoying the recent reappearance of that elusive big warm yellow thing in the sky that has been absent for longer than I like to recall.....I think they call it the Sun!

We seem to have reached that odd time of year where the cold weather has started to clear away and the warm weather is still struggling to get here, leaving us with chilly but brighter days. The sort of weather where you constantly ask yourself if you should take a coat or an umbrella with you "just in case"

That said, there are definite signs that spring is on its way, and with it comes a renewed sense of activity and community spirit around the Parish.

For those with green fingers - or even those just thinking about giving gardening a go - the Caddington Gardening Club are warmly inviting new members to join them. It's a wonderful opportunity to share tips, learn something new, and enjoy good company, whether you're a seasoned gardener or a complete beginner (see opposite page for details).

Meanwhile, over at Slip End School, pupils have been celebrating World Book Day in their usual creative and enthusiastic style. It's always a joy to see how much effort goes into the day, and this edition includes a lovely piece, on page 10, from the school capturing some of the fun and imagination that makes the event so special.

John will be back for May's edition and you can look forward to more of my waffle in June :) Have a great April all.

Caddington Gardening Club

Caddington Gardening Club are a friendly bunch who meet on the **second Tuesday of the month** at Caddington Baptist Church Hall which is next to the Chequers.

Our April speaker is Nic Wilson - Four and Twenty Blackbirds, how to create a bird friendly garden.

We meet from **7:30 - 9:00pm** and light refreshments are provided. We welcome new members (£8.00 per annum with £2.00 entry per meeting), or come as a guest for just £4.00 per meeting.

We also have two trips organised, Saturday, 16th May to Leonardslee in Sussex and Saturday August 4th to Barnsdale and The Herb Nursery, as well as a plant sale in May and a Christmas social in December. Parking is available directly in front of the church (the left side of the car park is reserved for another group).

Any queries please contact Nicky Moore nickyj.moore@outlook.com

Be a Local Hero – Join Our Good Neighbour Scheme!

Do you have a car? With just an hour or two each week, you could make a real difference in our community.

The Slip End Good Neighbour Scheme is looking for new volunteers to join our fantastic team.

We help local residents by:

Collecting shopping and prescriptions

Driving to medical appointments

What we offer:

- Full training
- Mileage costs reimbursed
- Entirely flexible volunteering – just a few hours during weekdays at times that suit you.

If you have any spare hours on a Monday–Friday between 9am–5pm (even just one hour per week), and would like to help, please call 07513 372 415; no commitment – just a chat!

Parish Council Update

Fly Tipping

We are still seeing significant fly tipping in the Parish particularly Pepperstock and Woodside.

Ward Councillor Vicky Malone, continues to urge residents to report flying tipping on **FIX MY STREET** and send the details to her as she is working with the environmental teams. Please can you email your reports to vicky.malone@centralbedfordshire.gov.uk

Co-option of Two Councillors to the Parish Council

We received applications for co-option to the Council and the council had a meet and greet with the applicants in March and the new Councillors will join the Council in April.

Highways

We have had problems with flooding, fallen branches and the usual pot holes. The flooding is monitored by the flooding emergency groups set up by CBC which Councillors are on to report and receive updates.

Other issues are reported to Central Bedfordshire Council on FIX MY STREET by the Council and residents so thank you for your assistance with this.

Central Bedfordshire Budget Setting

Central Bedfordshire Councillors met to discuss and agree the new budget for Central Bedfordshire Council.

At the first meeting an agreement to approve the budget was not met and the Council met again at a further meeting.

After extremely difficult decisions needed to be made the budget was agreed. CBC had to work with a £17m deficit from last years funding from Central Government.

Grand Union Canal Transfer Consultation Water transfer

There is a consultation being held across Central Bedfordshire with public meetings for the public and consultees to attend. The primary objective of the Proposed Development is to transfer up to 115 megalitres per day of water from ST's supply area in the Midlands to areas of forecast water deficit in AfW's supply area in the South East, thereby enhancing regional water resilience.

This will include our area by piping water to an underground reservoir in Luton. The Parish Council are a consultee and Cllr. Shaw attended a consultation meeting in March to see what plans there are and will give an update at the Parish Council meeting in April and we will provide an update in the next edition of the Parish News.

Gardening

Our gardening contractor has cut back the conifer trees and hedges in Old School Walk. The Birch Trees are unable to be cut back at the present time but will be cut back in the next couple of months.

Summer Planting

The Council have approved the summer planting quote for the village to have beautiful flowers and hanging baskets again this year. They were very well received last year and brightened up the Parish.

Defibrillator – Village Hall

We have replaced the defibrillator cabinet at the village hall as it was rusty and looked unsightly. The Council agreed to replace and rewire the electrical cabling surrounding the unit and we have a contractor in place to do this in due course.

Tuesday 5th May Cakes and Company SPRING FAYRE. Extended timing—10am—1pm. Refreshments and stalls. All will be welcome to come for a chat and a look at our preserves and other items on sale.

We held a very well attended Coffee evening at the end of February in aid of LWPT (Leaders of Worship and Preachers Trust), raising £112. Cakes and chocolates were enjoyed and those who won the raffle were very happy with their prizes.

God Bless, From all at Aley Green

As I write this, I can't quite believe how quick this term (and year) is going. Spring is a great time of year for the children: brighter days allow more outside play and learning and it lovely to see so many happy, smiley faces in the school. Whilst it might only be a short term, there is always plenty going on and there is so much to look forward to. We can't wait for Slip End's Got Talent in April and the children taking part in a jam-packed Summer Term. Please read below to see what's been taking place over the last month.

All the best.

Mr Young
Head of School

World Book Day

On Thursday the 5th March, our children celebrated World Book Day. Jemima and Finlay were interviewed to share their thoughts about the day. "It was very fun because we got to do comics with an app and generated our own superheroes. Some of us made ourselves into a superhero and we included ourselves in the story.

Everyone dressed up and the funniest ones were Thing 1 and Thing 2 and our teacher told us we weren't going to do any learning but we did because we learned how to create an AI Picture!

In the afternoon, we watched a movie that linked directly to our superhero comic strips. The reason we have World Book Day is to celebrate all books that we like and we got to share our own books with each other"

Keeping Fit and Healthy – By Isla Y6

At lunchtime, Mr O'Brien holds skipping competitions for the younger year groups. We really enjoyed it when the man came in from Skip2BFit and we used skipping ropes that had counters on. We held a competition in each class and it was really fun but exhausting!

Our lunch ladies provide us with healthy lunches and an option of fruit on the side.

We have P.E lessons twice a week and we also attend tournaments such as football, dodgeball, and more!

The school promotes walking to school instead of driving. Please be careful in the mornings if you are driving near the school.

Ramadan

This month has also been important for our Muslim families who have been observing Ramadan and Jemima wanted to share that she is currently celebrating Ramadan and has enjoyed Iftar parties. She is currently fasting and is finding it easy! She says her family are looking forward to Eid.

Slip End History

The original school was located towards the Pepperstock end of Front Street and Summer Street, which is now the location of "Old School Walk". It was a "Board School" established as a consequence of the famous 1870 Education Act giving education to all.

It catered for the whole age range in two sections - Juniors and Infants and in 1947 was extended to 15 year olds. First opened in 1877, a century after it's foundation, it was moved to it's present site.

Fed up with pot holes? Flooding? Litter?

The quickest and easiest way to report parish problems is via the **FixMyStreet** app.

Downloadable to Android or iPhone devices, you can create an account and then track the progress of the issue.

The screenshot shows the FixMyStreet website interface. At the top, there's a navigation bar with the FixMyStreet logo and links for 'Report a problem', 'Sign in', 'All reports', 'Local alerts', and 'Help'. Below this is a main heading 'Report, view, or discuss local problems' with a sub-heading 'Like graffiti, fly tipping, broken paving slabs, or street lighting'. A form prompts the user to 'Enter a nearby UK postcode, or street name and area' with an example 'e.g. 30 426 or 'The St, Manchester''. There is a 'Go' button and a link to 'Use my current location'. A sidebar on the left titled 'How to report a problem' lists four steps: 1. Enter a nearby UK postcode, or street name and area; 2. Locate the problem on a map of the area; 3. Enter details of the problem; 4. We send it to the council on your behalf. Below this, statistics show '19,986 reports in past week', '25,891 based in past month', and '6,658,394 updates on reports'. A 'Recently reported problems' section lists issues like 'Drain cover', 'Very large and deep pothole near the bus stop', 'Large dip / broken section between road and pavement', 'Leak Road, Monday', and 'Abandoned Visual Cops'.

St Andrew's Church - Monthly community coffee mornings

Since we lost our main organiser, Paula Baird, whose idea it was and who used to run the monthly meetings, but now lives in Somerset, we decided to continue the community meetings within the Church, and have set up a rota of volunteers to run them. On February 28th it was the turn of Gill Downs and myself, Sue Briggs to organise the morning and set everything up.

doing jigsaws please do come along. We also held a raffle with a Fairtrade prize and the offer of a home-baked cake from Jon Barker. All money raised in the morning and from the Sunday Collection went to Transform Trade—promoting trade justice.

We will be holding the next two community coffee mornings on March 28th (Easter promotion) and April 25th so please do come along. There will be different stalls in the Church and it's a chance to meet old and new friends for a good chat and delicious refreshments. They start at 10a.m. until 12. We hope you can make it and you can be assured of a warm welcome.

Report by Sue Briggs

Luckily we had some delicious cakes, cheese straws, and cookies donated to help us and some cookies to sell to take home.

The church gardens and older graves have been greatly improved by the Community Payback Scheme who come to the church every two weeks and have worked really hard to improve overgrowth and tidy up around the back of the Church. If you wandered along this month you would have seen the beautiful snowdrops around.

Julie Taylor was also there to promote Fairtrade and ran a competition to find the best cake. Sadly just pictures of cakes but all looked delicious!!

We also had a range of books and jigsaws to sell (very cheaply) so if you're an avid reader or enjoy

Gardening Notes *by Russell Sprout*

It's been another cold and wet winter but hopefully you have been able to get started on your garden. Despite the recent sunshine it is still quite cold, so don't be too eager to sow your seeds, if the ground is too cold they won't germinate. Nevertheless we should be able to get on with some jobs that need doing.

Many border annuals can be sown directly into the soil this month to provide a good display of colour and help to suppress weeds. Carnations and pinks will benefit from an application of fertilizer to established plants, border plants should be planted by the middle of the month, tall growing varieties can be staked with twiggy sticks pushed into the soil so that the stems can grow up through them. Sweet peas sown in the spring can be planted out as soon as they are growing strongly.

Tomato plants can be planted in a cool greenhouse now and sow seeds indoors for outdoor tomatoes to plant out when danger of frosts has passed. Sow melons and cucumbers in a propagator, prick out as soon as they are large enough to handle. Keep an eye on fruit trees and bushes as they start to blossom and take action against pests and diseases. As early potatoes start to shoot from the middle of the month protect the leaves from frost either by drawing the soil over them or cover them with straw or newspaper. Check rhubarb and remove any seed heads as soon as they appear, cut them off as near to the base as possible, if left the plant will stop producing edible sticks, they will become dry and woody very quickly.

Plant onion sets in shallow drills and just cover the tops to stop birds pulling them out. Salad crops can be sown as soon as the soil is dry enough to work into a fine tilth but sow little and often, every 2-3 weeks so that you get a continuous supply of crops such as lettuce, radish, spring onion and beetroot and harvest as soon as they are large enough to eat, don't wait to get large woody ones. Carrots can be planted this month, main crop can be sown the middle of next month, sow seeds of late summer cauliflowers and wrinkled seeded varieties of peas which will be ready for picking in approximately 12 weeks. Sow winter cabbages for planting out in June and set out summer cabbages sown last month.

Mulch beds and borders when they have warmed up, after destroying weeds with a hoe and making sure ground is moist. Ensure tender plants are protected from frost. Divide any large clumps of herbaceous plants that are unsightly and replant the outer strongest shoots discarding the middle weaker ones. Rhododendrons and azaleas can be transplanted if they need moving or complete planting of any new bushes (water newly planted bushes if weather is dry). Remove dead heads of early flowering varieties. Dahlias started in boxes can be divided with a sharp knife, making sure that cutting has a bud or shoot on it. Carry on planting gladioli for a succession of flowers.

Complete pruning of roses as soon as possible and apply fertilizer at approximately a handful to the square yard, but leave a six inch circle around the actual plant itself, and hoe into the surface. After a good downpour mulch around the plants with a one inch layer of manure or bark chippings to hold moisture. Still time to repair impoverished lawns this month, a light mowing followed by scarifying and then aerate to improve drainage. Over-seed any bad areas and rake in well, apply a spring fertiliser and level any bumps or hollows.

Little Stars starts at 10.30am each Wednesday. We will be **closed** for the Easter Holidays on 1st, 8th and 15th April and will have sessions on 22nd and 29th. The kettle goes on at 10am – turn up whenever suits your little one's routine.

A Message from St Andrew's

I'm sure I can't be the only one who gets excited when I see the wonderful first signs of Spring around me. I am writing this message at the very beginning of March but those signs of new life have been evident for a few weeks now. It was the sight of snowdrops growing on a grave in St. Andrew's churchyard that first caught my attention, then seeing catkins blowing in the breeze from hazel trees as I drove from Redbourn to Harpenden.

How marvellous to see the sight of crocuses and then daffodils beginning to come into bloom. There is a wonderful bank of daffodils that grow along the roadside as you drive along Blue House Hill in St. Albans, the road between Batchwood Drive and St. Michael's. It is so uplifting as we emerge from the short, wet, cold days of winter and begin to move into the brighter days of Spring.

As Christians we believe that this is what Jesus has done for us. From darkness, he has brought us into new life through his death on a cross and the glories of his resurrection. He said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." We take a candle into a room to dispel the darkness.

Likewise, the light of Jesus can be taken into our hearts and lives and dispel our darkness, our uncertainties and the things that perplex us. Sometimes, things seem confusing rather than dramatic. Nothing is visibly collapsing yet direction seems unclear.

This is the good news that Jesus brings to all who would follow him. He brings understanding where confusion exists and stability where direction feels lost and life in all its fullness now and for eternity.
